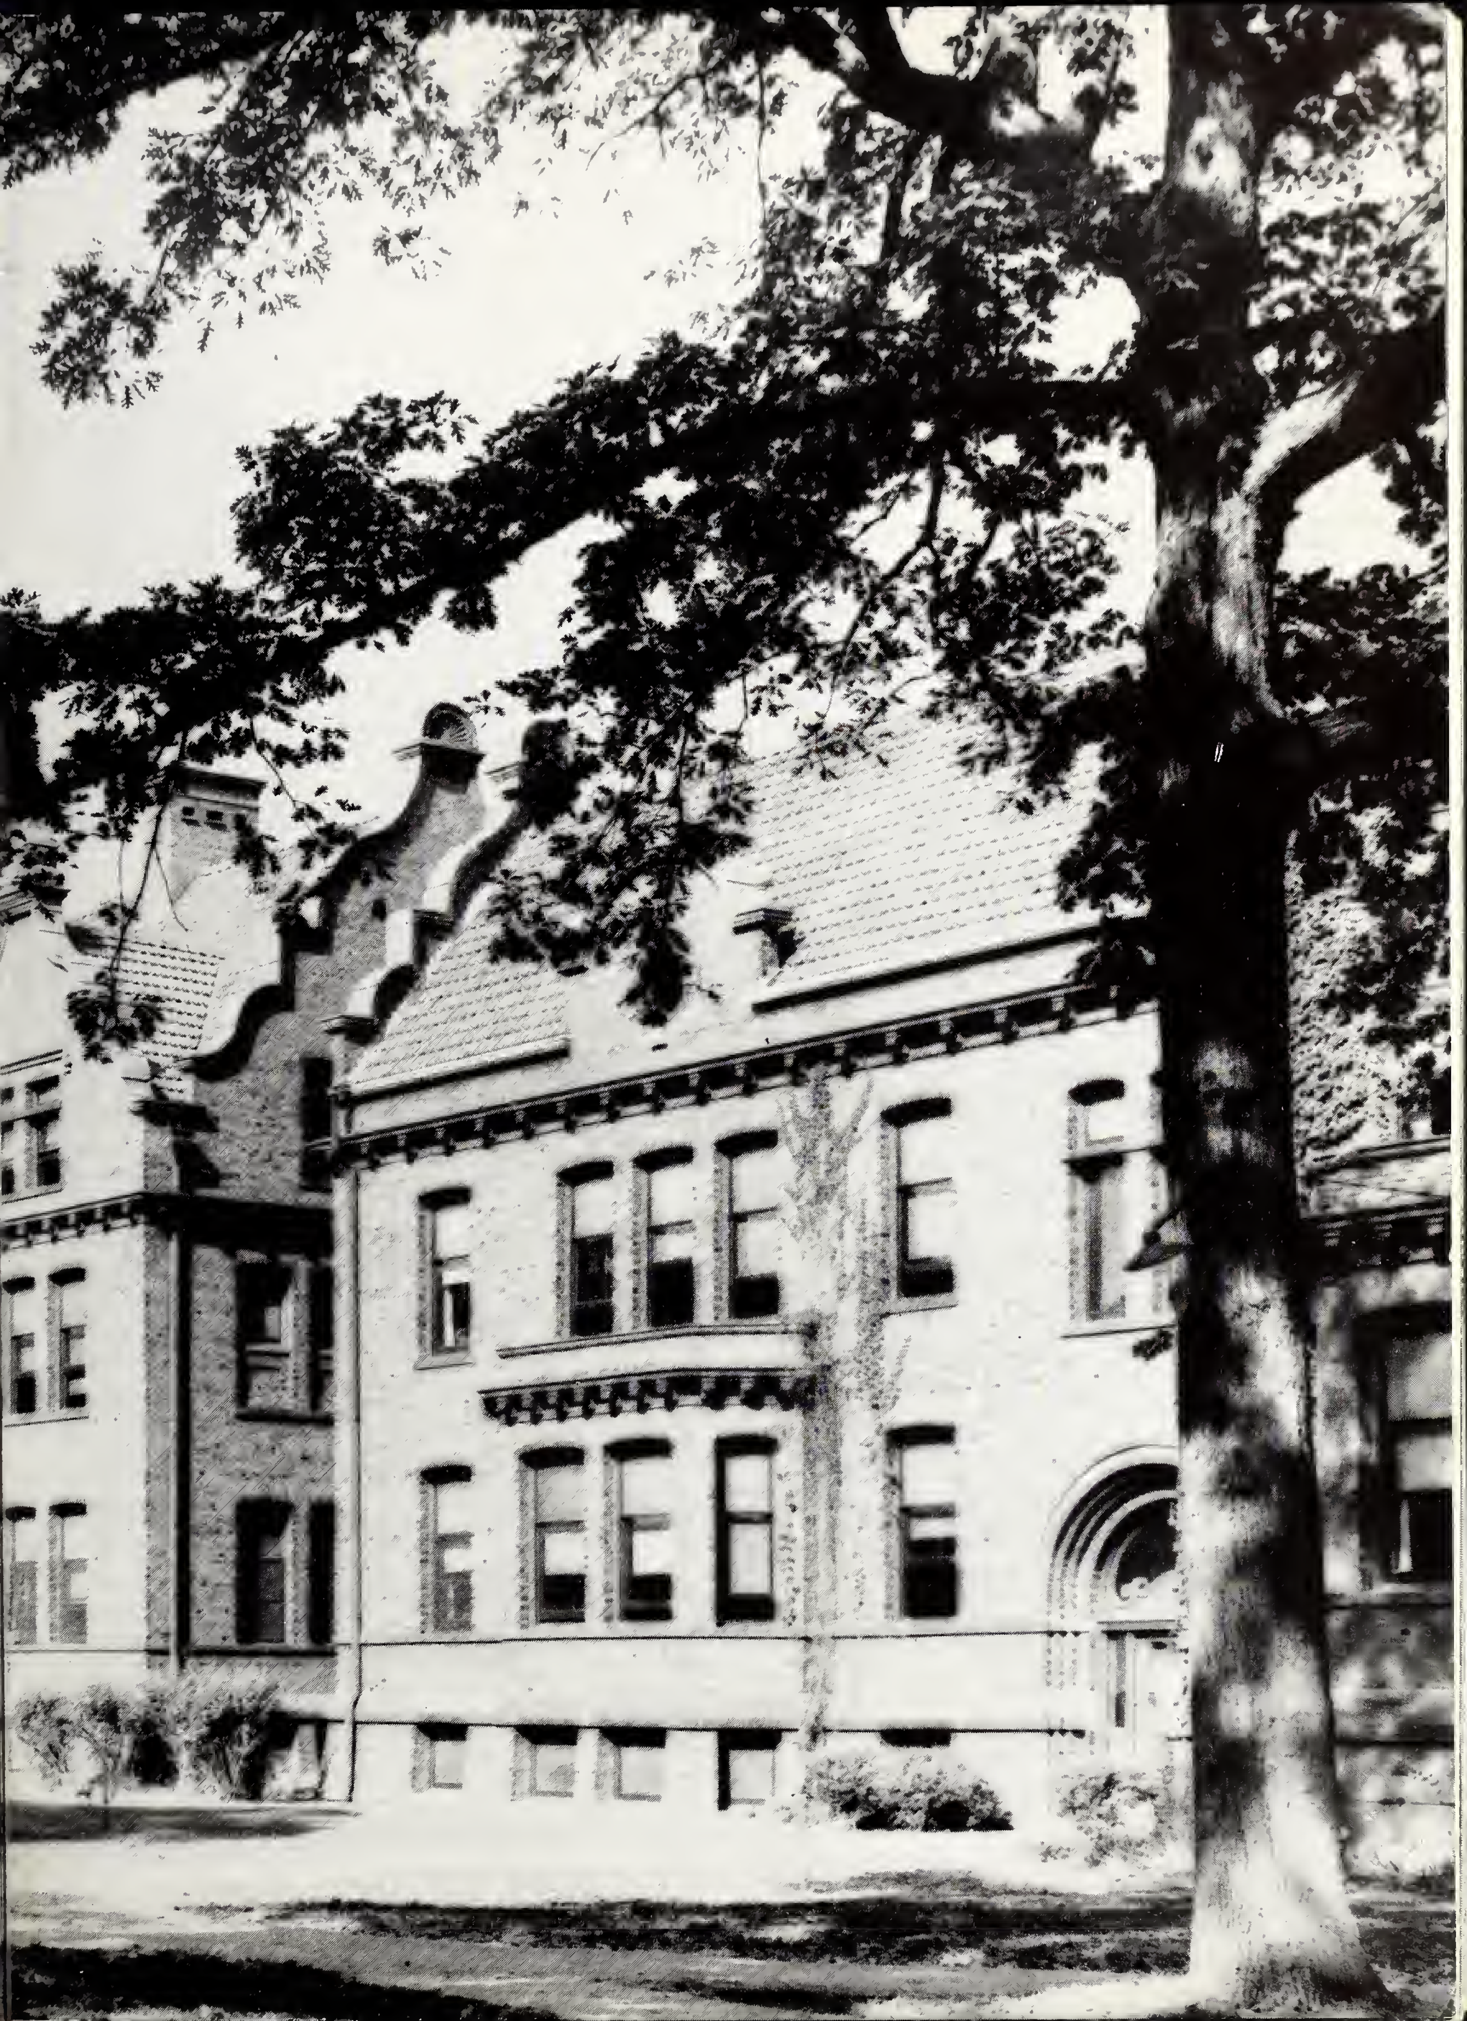
Foreword

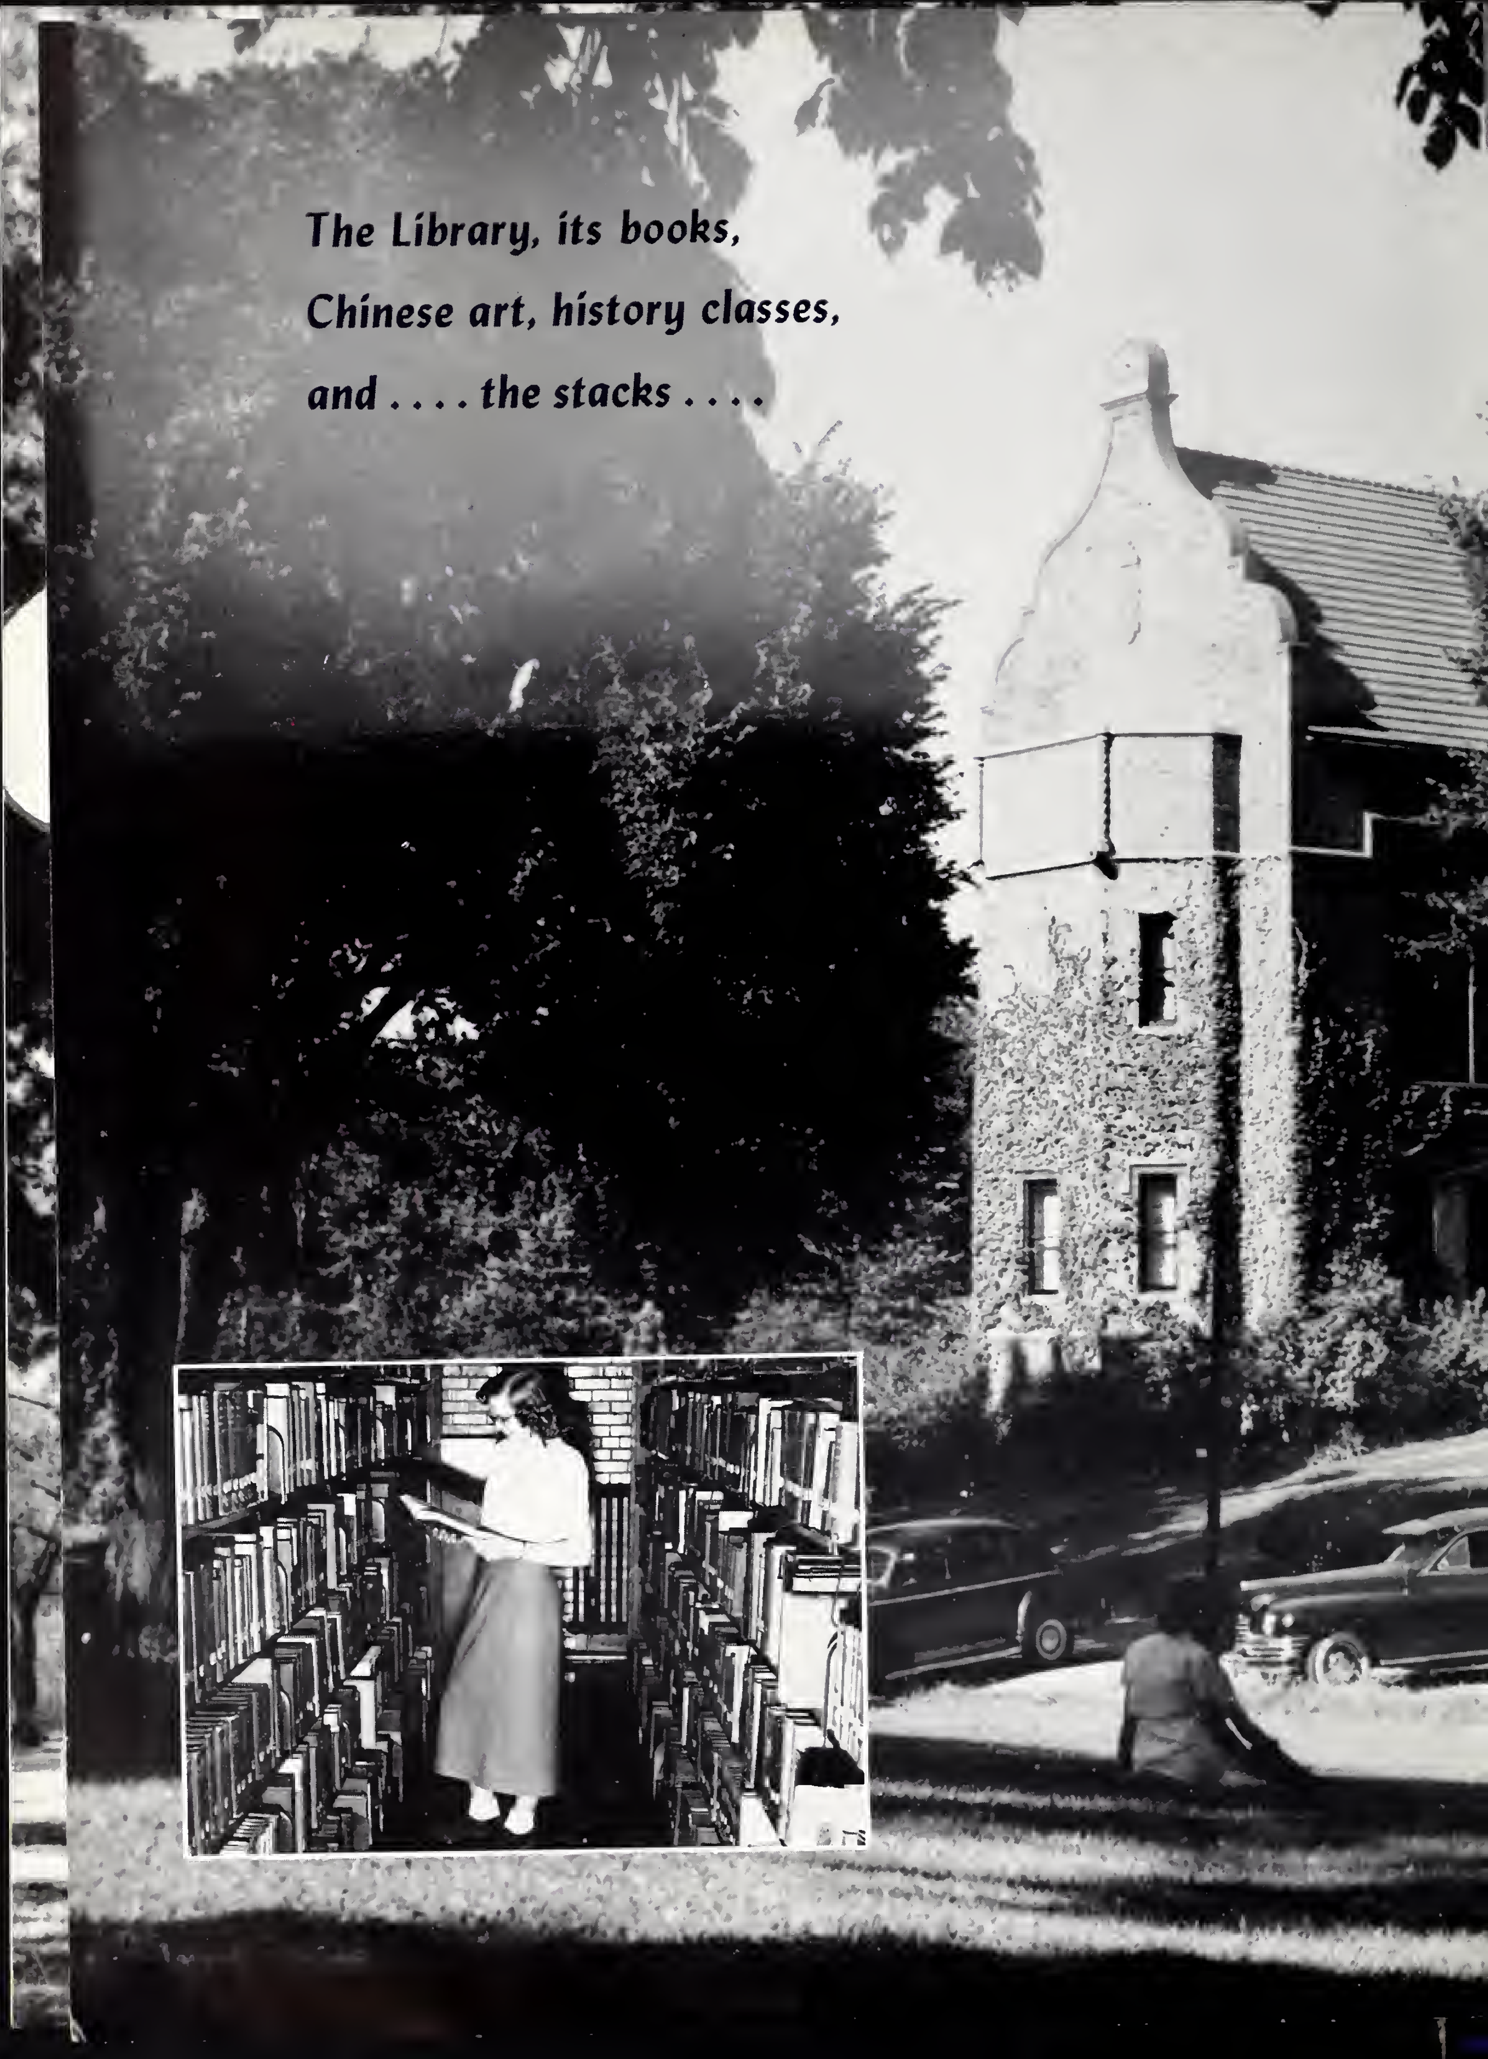
Success is dependent on two factors, organization and cooperation. The most vital of the two, though, is cooperation. In any group, athletic, business, peace, or war, it is cooperation between factions, smaller groups, and people that makes a success of a job. So it is in college too. A Student Council can't be effective without the cooperation of the student body and the faculty; the athletic department can't be successful without the cooperation of the student body and the faculty; and the administration can't be a success without the same cooperation.

The past war serves as a grim reminder to us of what cooperation can do, and the impending crisis is going to call for that same cooperation.

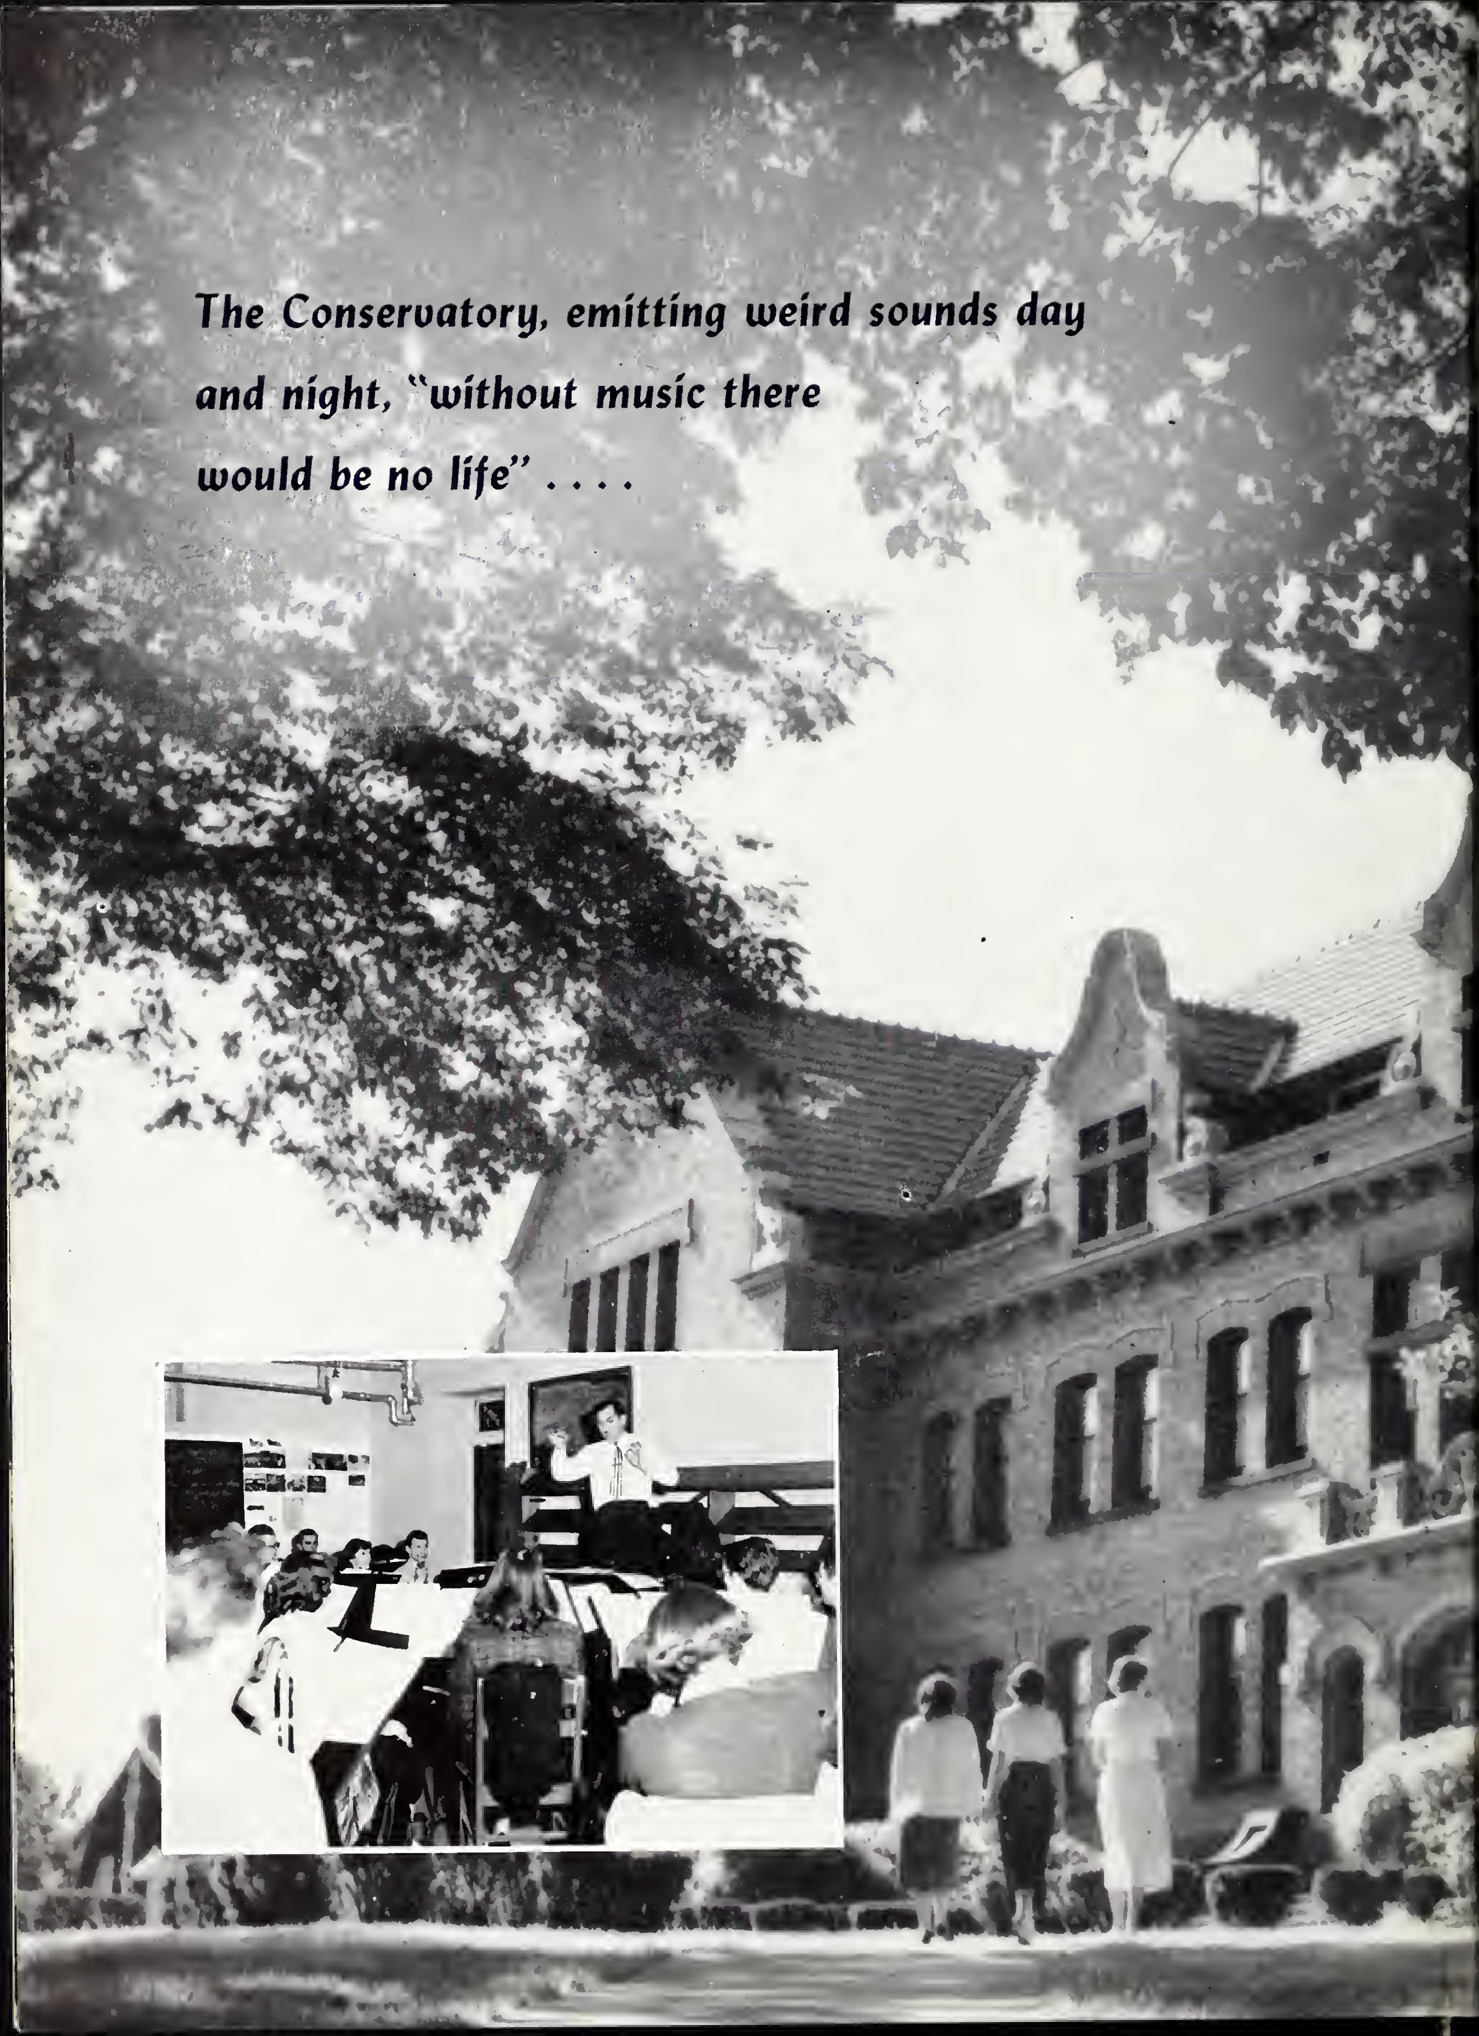
Everything starts at home, so let's all get our heads above water, let's start cooperating with each other here at OUR University, and let's make a success of our college so we can make a bigger success in later life.



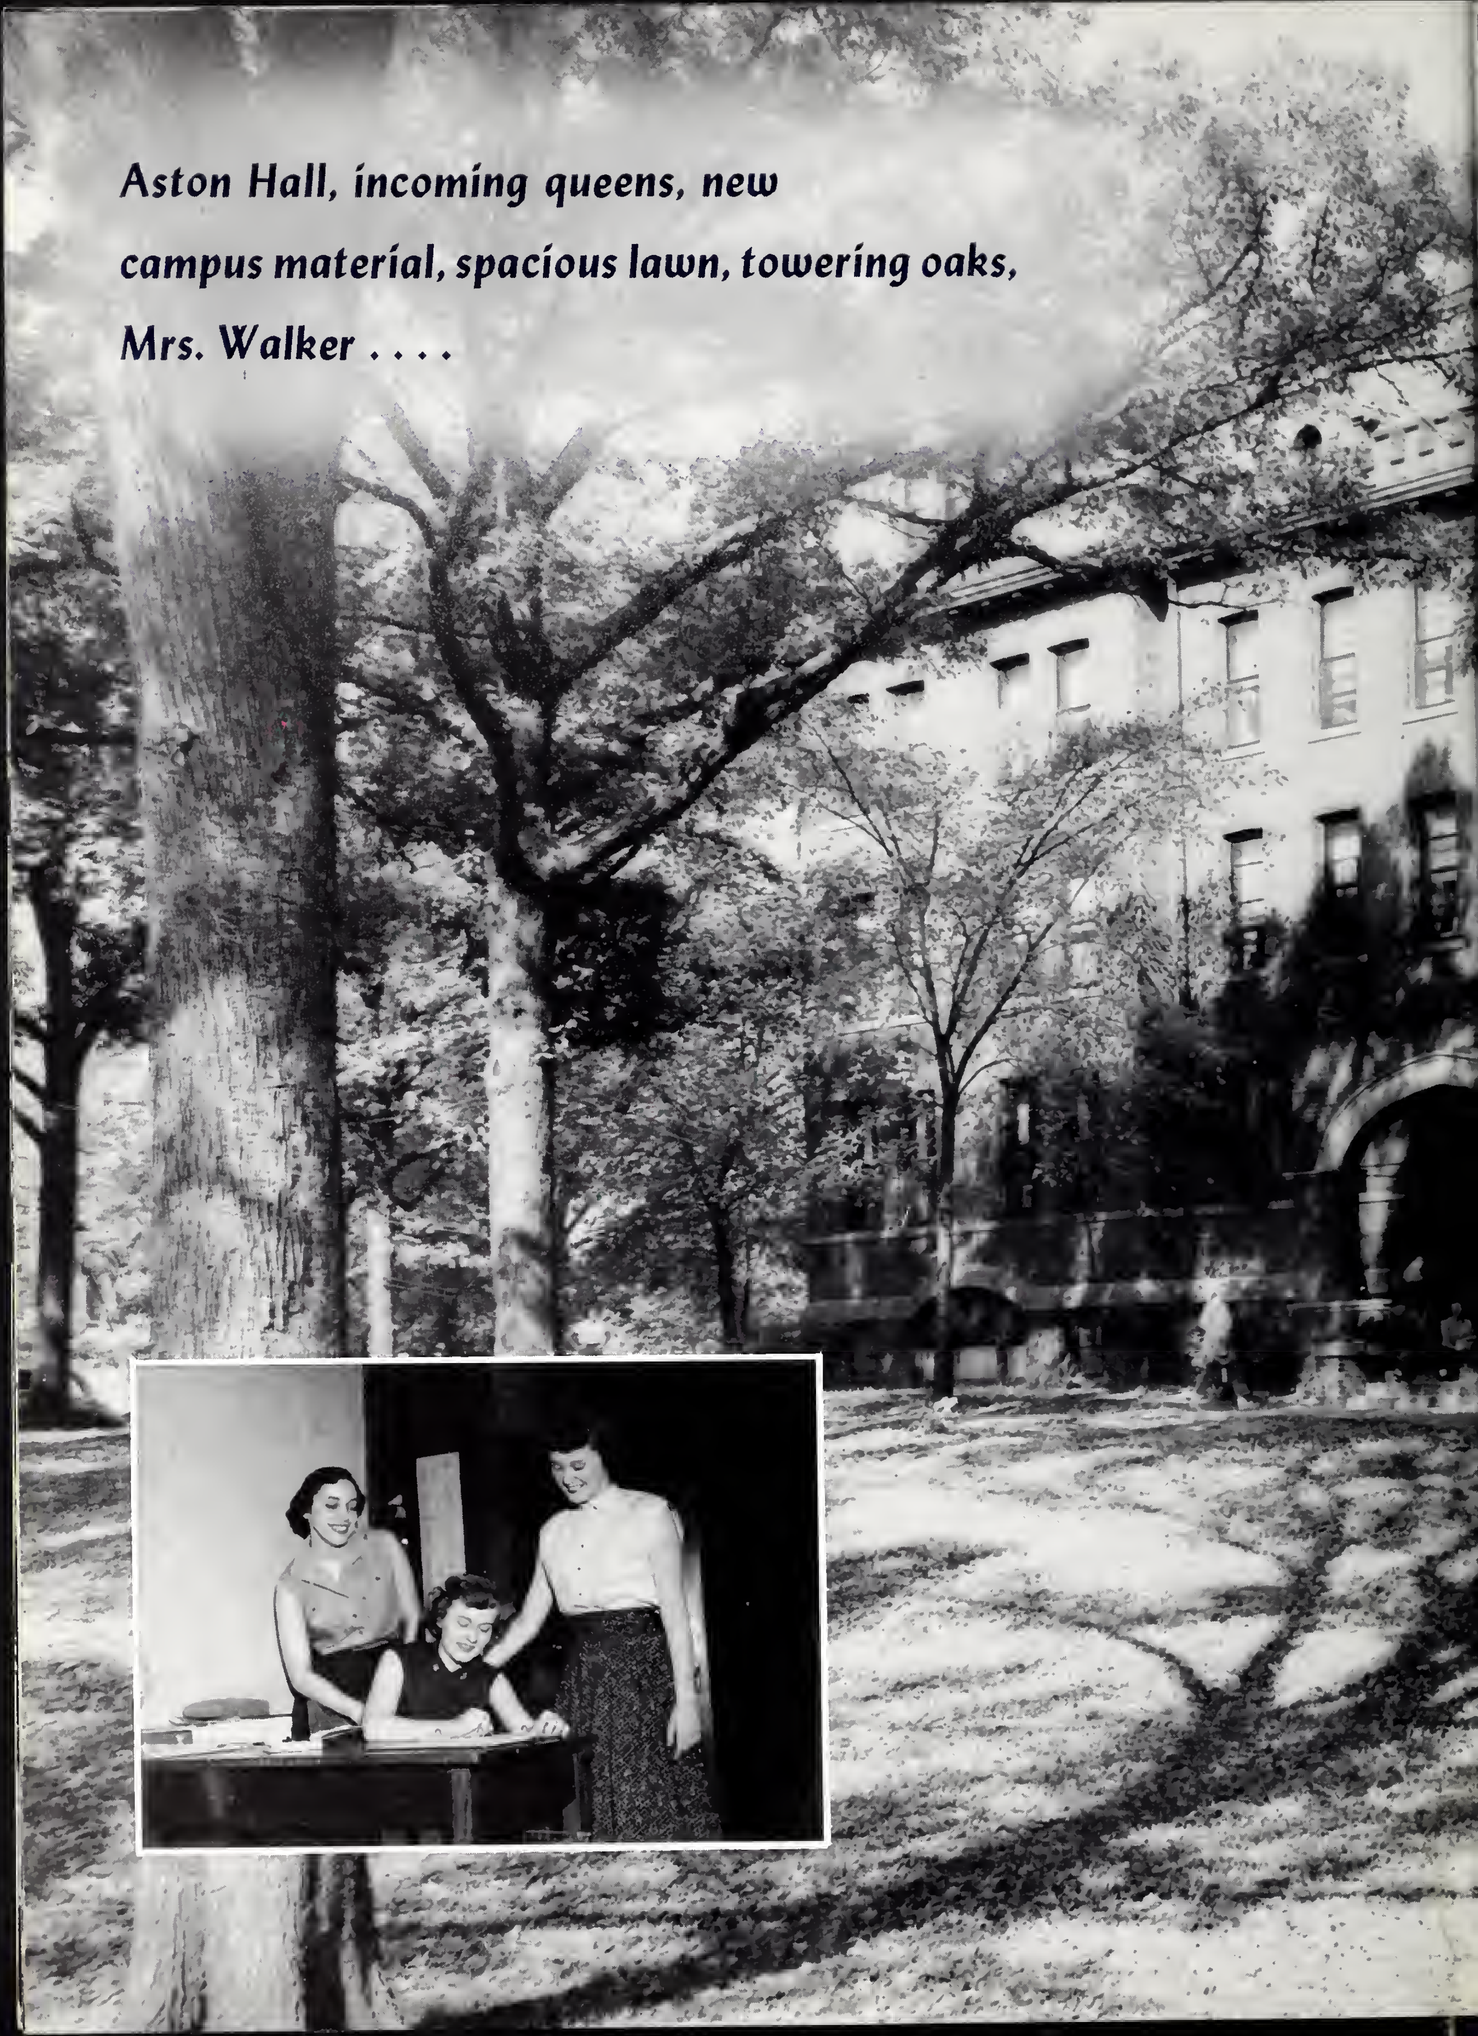
The Library, its books,
Chinese art, history classes,
and . . . . the stacks . . . .

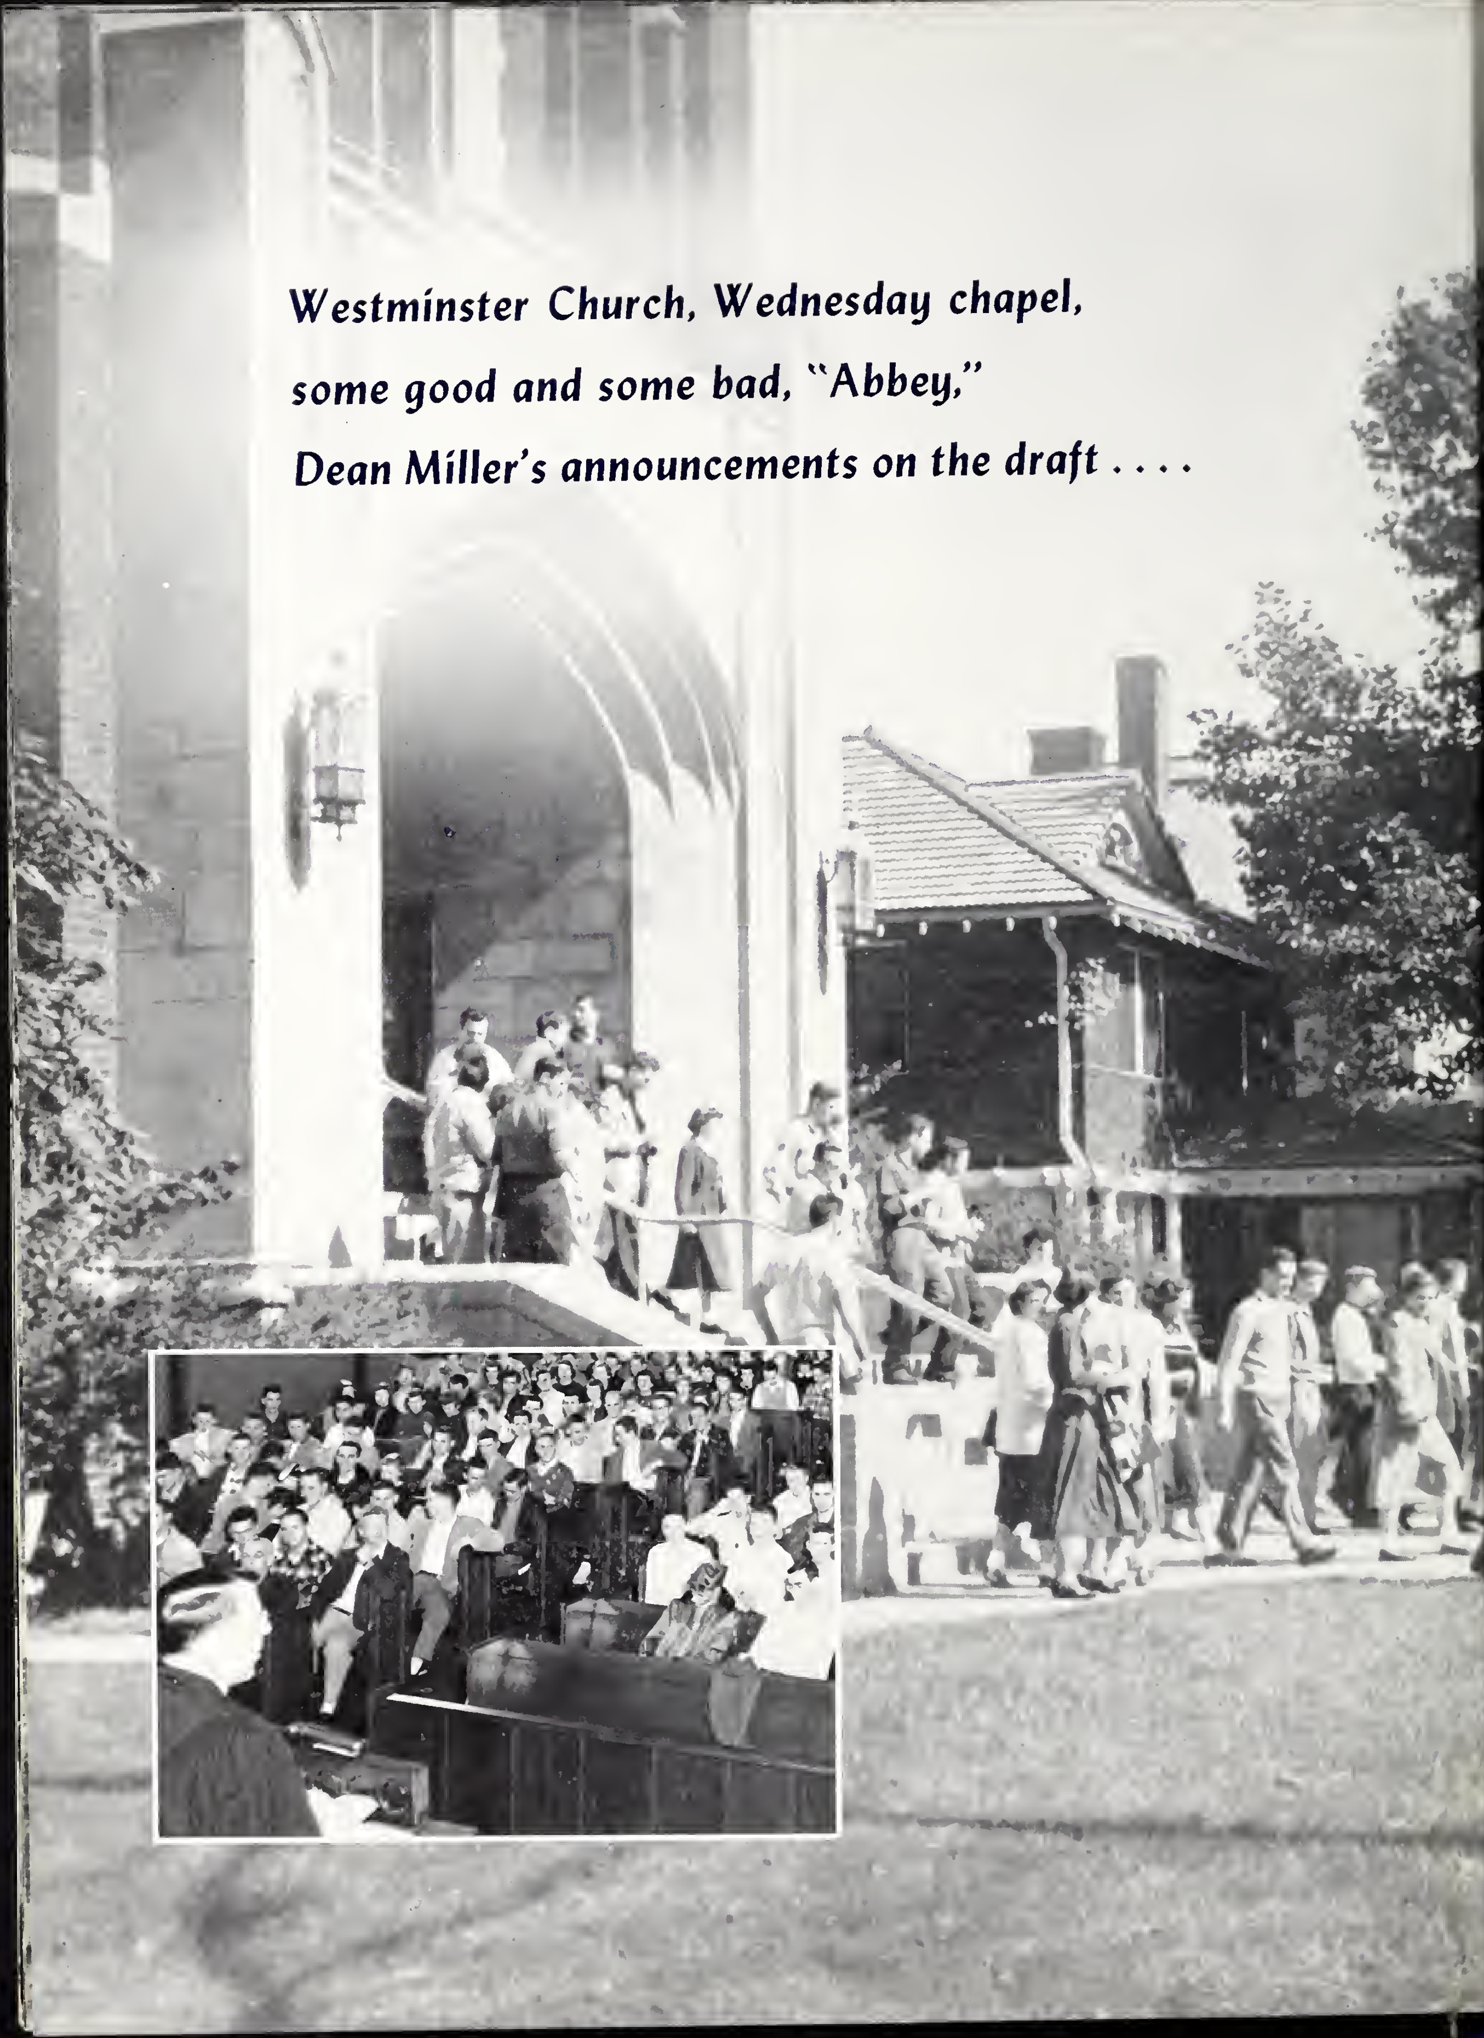


The Conservatory, emitting weird sounds day and night, "without music there would be no life" . . . .

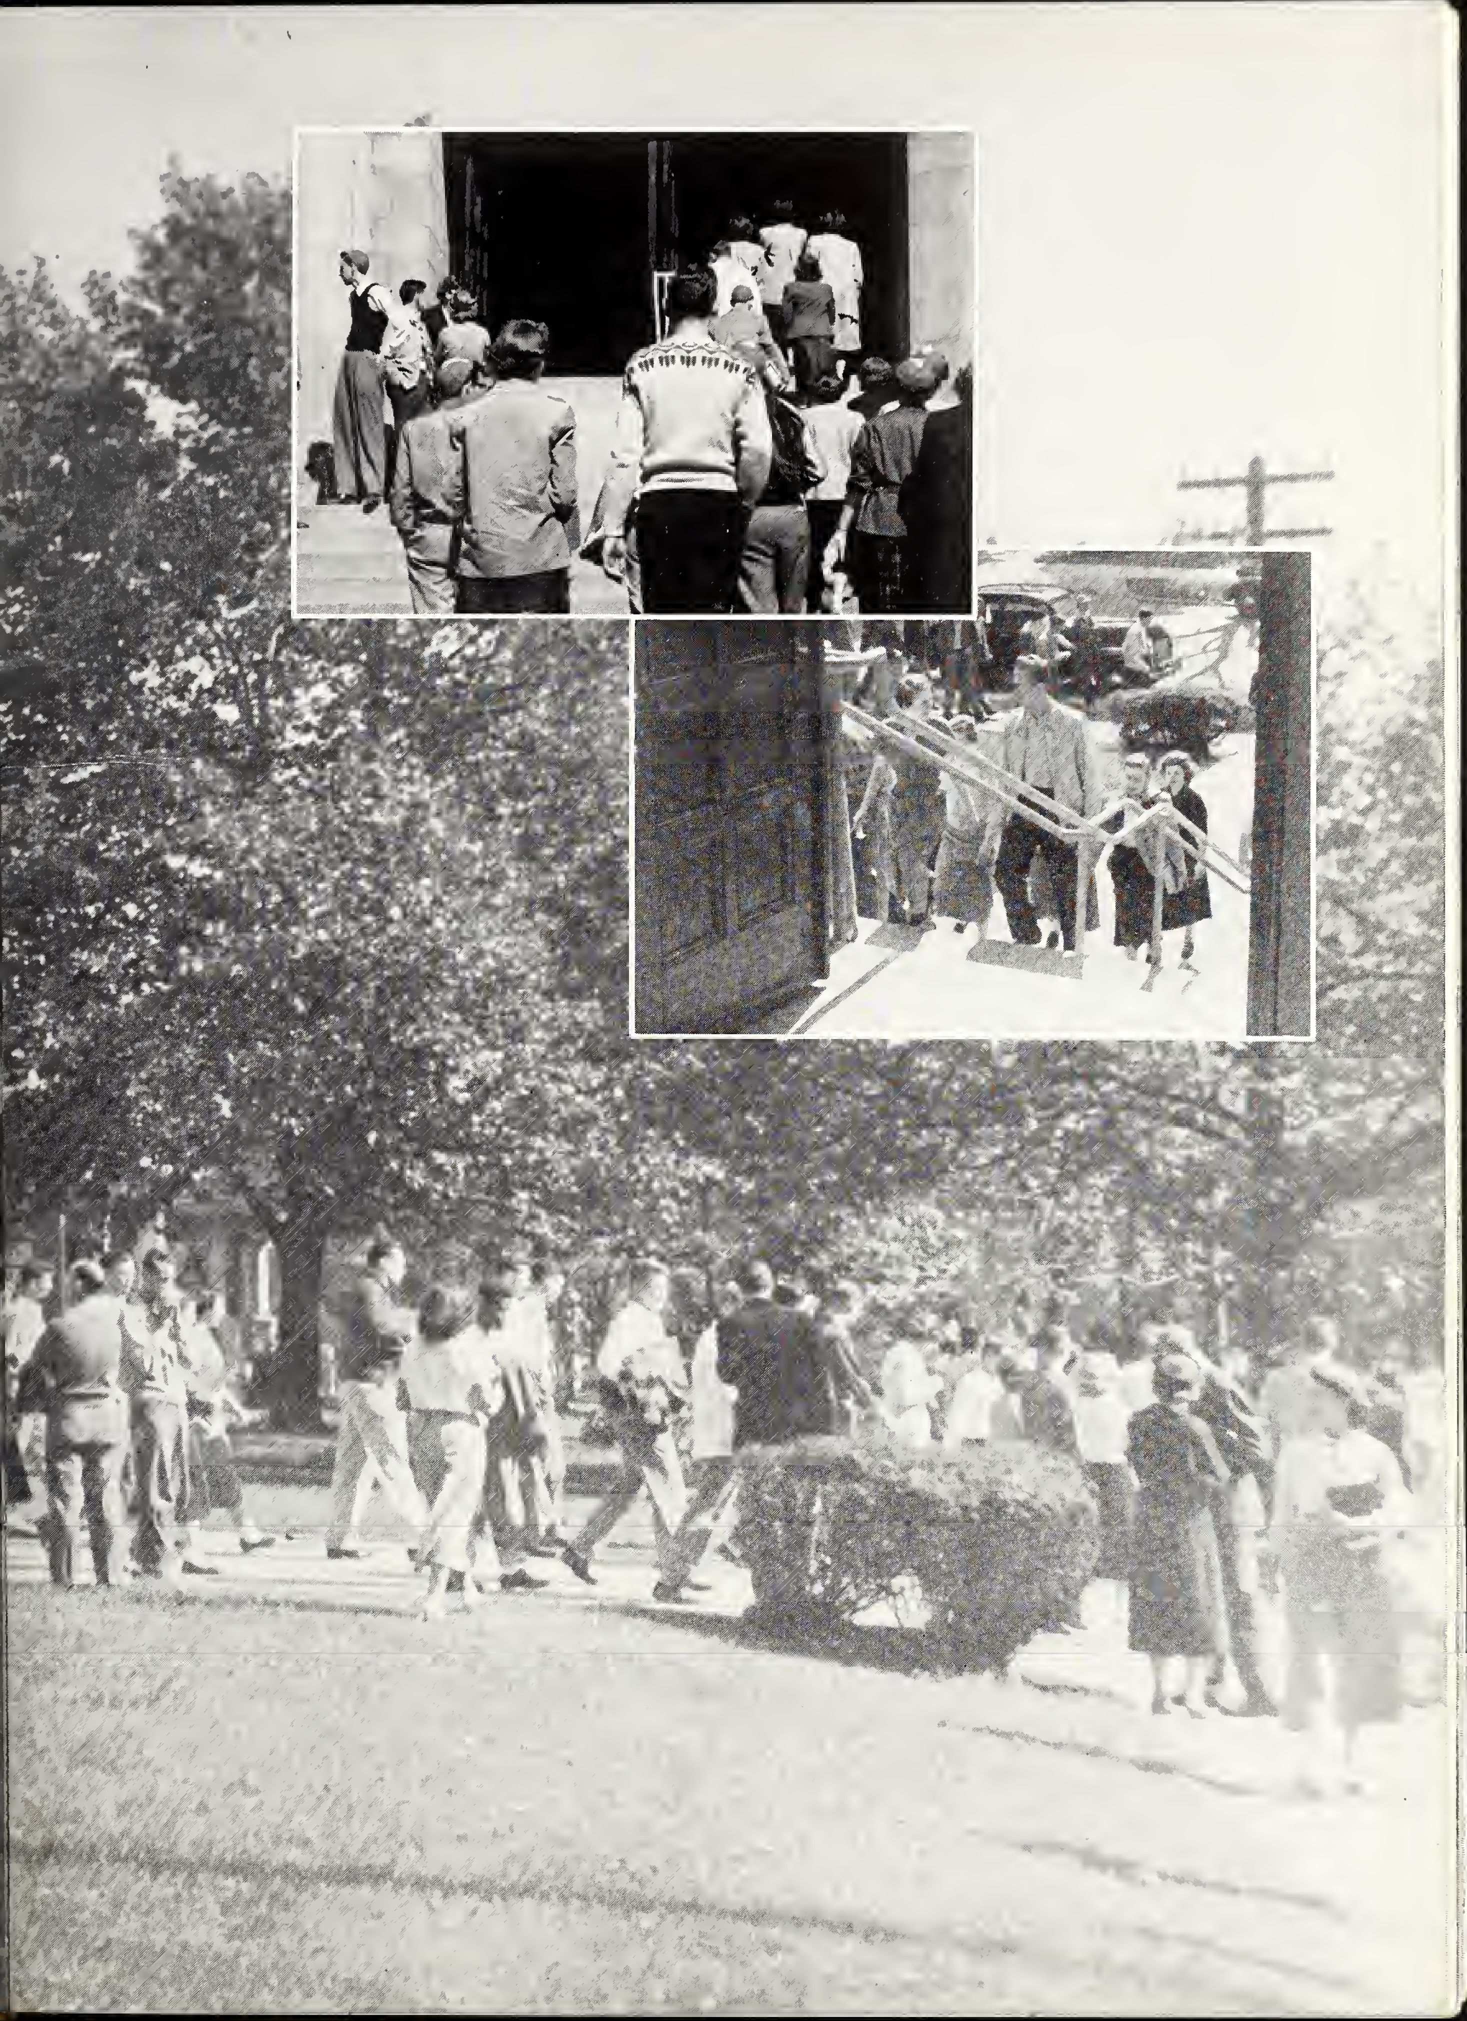


Aston Hall, incoming queens, new campus material, spacious lawn, towering oaks, Mrs. Walker . . . .





Westminster Church, Wednesday chapel,
some good and some bad, "Abbey,"
Dean Miller's announcements on the draft . . . .



The main building, housing our main worries . . . . the faculty, the class rooms, and, of course, the lower hall . . . .

DR. MALONE

Smiling, pleasant, and ever ready to help, that's Doctor Malone. Though he carries the worries of our University with him at all times Doctor Malone is never too preoccupied to pass a good word along and flash his ever present smile. His good will and helpful attitude are a constant reminder to us that there is a lot more to being a University President than just sitting in an office and passing out bad news.

DEAN MILLER

A good organization must, out of necessity, have able and willing leaders. Dean Miller is the man on our campus who hears all the complaints of students, faculty, and towns-people. It is his ability to listen with an open mind and settle the many picayunish problems of our University that makes him the invaluable man he is. Often harrassed and criticized to a point beyond reason, Dean Miller is constantly on the job as mediator and second in command to Dr. Malone.

DEAN FALVEY

There are more difficult jobs in the world, but anyone will agree that the job of keeping six or seven hundred Millikin women happy is no soft touch. Dean Falvey is the woman who gets the credit for doing a job that is far from glamorous, and has more than its share of headaches. Her pleasant personality, facility for remembering names, is credit to herself and the college. Dean Falvey is a hit with the student body and administration both.

Although criticised freely by the student body in previous years, the Student Council went to work this year with a few definite goals in view. Meeting every Friday afternoon in the back of the Sub, the Council has revised the constitution to give the students more say in campus affairs, thrown dances that have been both financial and social successes, and raised a little more school spirit.

The Sadie Hawkins dance, the Sweetheart dance, and the Variety show were all successful Student Council enterprises.

The MILLIDEK

This is it!!! It's no small job, and we've done what we hope you will like. Some new ideas have been put into use and the presentation has been re-arranged. There has been a lot of work, and we hope the results are what you like. The Millidek is the students book made up of the student activities. The life and fun have been caught as best the camera can catch them. It's pictures that tell the story, and that's what we've got—pictures.

The DECATURIAN

Two hopeful young ladies took over the job of producing the weekly scandal sheet this year. Besides producing an abundant supply of scandals each week, the Decaturian also collects news and views, and has, this year, smothered the students with information. With a willing, able and competent staff the paper went ahead and kept us up to date on the more obscure points of college life.

One reason the Dec was so good on keeping up with the news, was that the office is a favorite hang-out for all fugitives from the rushing, underground life of the lower hall. The Dec office is one of the few social focals in the school, and probably the most popular.

WHO'S WHO

This year twenty Millikin students, all seniors, have been elected to represent the university in this year's edition of "Who's Who in American Colleges and Universities". Selection here at Millikin is made by first receiving nominations from various campus social organizations which are then checked by a group of faculty and students who narrow down the list. It is then submitted to "Who's Who" for approval.

Only college juniors, seniors, and graduate students are acceptable. Nominating committees consider the student's scholarship, leadership and participation in extra-curricular activities, his citizenship and service, and his promise of future success. There is no competition between various universities submitting nominees. Two of the number chosen were also listed in last year's "Who's Who" publication. They are Scott Steagall and Paul Berry.

STUDENT CHRISTIAN ASSOCIATION

The S. C. A. began its activities early in the year by sponsoring the Freshman Camp. This group continues to keep busy throughout the year. Weekly meetings are held and many of its members rose at the crack of dawn each day for morning devotions. S. C. A. is in charge of the activities which take place during Religious Emphasis Week.

One of the biggest projects was the sponsoring of entertainment and Sunday services at the T. B. Sanatorium. The S. C. A. was also co-chairman of the W. S. S. F. drive.

This group was led by Jerry Lewis, president; JoAnn Williams, vice-president; and Marian Campbell, secretary-treasurer. Dean Emerson Abendroth was the chaplain for this group.

Second Row: Marsden, Sachen, Tully, Newman, Carter, Clesson, Manuel, Jackson, Mr. Joys.

PI KAPPA DELTA

Pi Kappa Delta, a national debate fraternity, provides a means for orators to demonstrate their ability as debators. Millikin's chapter of Pi Kappa Delta has been active and has participated in several debates at colleges throughout the state. Eleanor Bieler served as president, Marilyn Morgan was secretary-treasurer, and Dr. McNabb was faculty advisor.

CONANT

For the upperclass majors in English and the outstanding students in other fields, there is the Conant Society, whose main purpose is the furthering of appreciation of English Literature and associated subjects. The high point of each year in Conant is the literary contest which the organization sponsors. Current officers are: Richard Helledy, president; Clem Wright, vice-president; Betty Price, secretary; Chuck Jones, treasurer.

Second Row: Chamblin, Booner, Bollman, Smith, Cramer, Doll, Lacey, Speagle, Carroll, Moyer, Miss Sparks, Moody, Butcher, Turner, Odell, Corzine, Zust, Shumate, Glasgow, Doll.

TAU CHI PI

Tau Chi Pi is an organization of women whose major is secretarial science. The organization meets once a month and its purpose is to present to its members the problems and experiences of secretaries, and to better prepare them to hold positions as secretaries.

Tau Chi Pi is not all business, however, since its members find time for social events, the main one being the Christmas party at the Zeta house this year.

Officers for this year are: Jewell Weber, president; Helen Stocker, vice-president; Ina Jedlicka, secretary; Barbara Walmsley, treasurer.

PHI KAPPA PHI

Phi Kappa Phi is one of the two national honorary fraternities in the country, the other being Phi Beta Kappa. To be eligible for membership in this highest honorary organization, a student must have a 3.5 grade average.

First Row: Bridgewater, Happel, Mrs. Weatherford.
Second Row: Jedlicka, Morrison, Morthland, Bieler, Hockman, Williams, Lukey.

PI MU THETA

Millikin's women's honorary fraternity is Pi Mu Theta, an organization for junior and senior women. This organization is comparable to Mortar Board, and members must maintain a 3.0 grade average. It is indeed an organization for the "great minds" among the women at Millikin.

Virginia Happel served as president, Mary Ann Young was vice-president, JoAnne Williams, secretary, and Marie Hockman, treasurer.

Women's Residence Hall Council

Serving as the supreme government for the women's dormitories is the Women's Residence Hall Council. This group of women, representing each of the halls, represents both the legislation and the administration of the women's dormitories.

The organization also sponsored several social events during the year.

Current officers for the group are: Marilyn Bingman, president; Helen Jo Deputy, vice-president; Dorothy Drysdale, secretary; Lois Butcher, treasurer.

HOME ECONOMICS CLUB

For their main object this year, the gals who do the cooking and the sewing at Millikin, made a United Nations flag for the school. High up on their list of things to do were the Christmas party for the girls at the Welfare Home, and their cookie sales to raise money for such worthy causes as the W. S. S. F. drive.

ART CLUB

For those students who inhabit the Tower Studio, there is the Art Club, designed to develop appreciation of the fine arts. This group has many examples of its art on display in the main hall, they make frequent trips to the Decatur Art Club exhibits, and other exhibits of interest.

ART CLUB

First Row: Jones, Sewell, Price, Ahlers, Weilepp, Cummins, Klein, Stoops, Etherington.

SIGMA ZETA

Test tubes and bunsen burners are the main concern of the members of Sigma Zeta, honorary organization for outstanding students in the science department. Membership in the organization is based on a paper written on some subject of scientific interest, with a 3.0 in science courses, and a 2.0 in all other courses.

FUTURE TEACHERS

Future Teachers of America is a new organization on the Millikin campus this year. Organized and designed to be an aid to those students in the Education department, the F. T. A. has been quite active this year, having regular meetings and discussions concerning the problems of the present day teacher.

FUTURE TEACHERS OF AMERICA

MILLIKIN CHOIR

The University choir has been a very busy group this year. Their full schedule has included concerts in Peoria, Warrensburg, Hammond, Arthur, Mt. Zion, Decatur High, Woodrow Wilson Jr. High, and for the Lions Club. The end of their traveling will be a three day tour in the southern part of the state.

The choir sings here at Millikin at the Wednesday chapel services, and at the student assembly program. The group has made two broadcasts, and a number of recordings.

The chorus and the choir joined with forces at Christmas to present Handel's Messiah. In the spring semester they joined with the concert band and gave a truly outstanding performance.

Although the choir practices only twice a week they present only the highest type of choral music, and under the excellent direction of Mr. Howard Akers it does a very fine job.

CONCERT BAND

The Millikin Concert band gave school spirit a boost this year by playing for the home football games at half-time, and contributing at various times to pep activities through the year. The band was also an essential part of the Homecoming celebrations. Not to be disillusioned, we saw the band in a more dignified performance in its annual student assembly concert.

The band has also been active in spreading the fame and name of Millikin University in the surrounding area by going on several road trips. They played at various towns, some of which are Finley, Argenta, and Moweaqua.

The band is also one of the major participants in annual spring concert put on by our famous school of music. This is one of the biggest performances of the year. Under the inspired leadership of Mr. Howard Akers the band this year followed in the path of outstanding musical ability that has constantly been our goal.

Panhellenic Council guides the activities of the women's social fraternities on campus. The council is composed of the president and rush captain of each organization, with Dean Frances Falvey as advisor.

It is the main task of the Council to make and enforce the rushing rules but they also hold some social functions of their own. The fall rushing season was opened with the annual Panhellenic Tea and it was brought to a close after pledging ceremonies by a dinner attended by all members and new pledges of each organization.

The two big events of the year were the Panhellenic dance which was held at the Hotel Orlando in November and the Millikin Sing given in April.

PANHELLENIC COUNCIL

INTER-FRATERNITY COUNCIL

Relations are strengthened between the three male Greek fraternities by meetings held once a month by the Inter-Fraternity Council. Two elected representatives and the president of each of the groups convene with Mr. Rayburn, Mr. Jack Allen, and Deans Miller and Ploenges for the furthering of better inter-fraternity understanding.

The Council has really been busy this year and they have a lot to show for their work. During Homecoming their project was to sell pennants so that a trophy case might be purchased to put in the hall. The first floor of Kintner Gym is now reserved for students; thanks to the work of the Council. Since our basketball team, again this year, won the conference championship, the council will sponsor a banquet honoring them.

The Council surprised us this year by having a picnic-dance instead of the usual Inter-fraternity Ball. Nelson Park was the scene of this affair and a good time was had by all.

We laughed . . . we worked . . . we had a wonderful year, one that will bring us pleasant memories for years to come.

We put our best foot forward at Homecoming and welcomed our alums back with an "Aloha, Alums, Ha - Wa - Yuh" theme, and managed to place third with our house decorations.

For an altruistic project for Hera Day we had a party for "our girls" from the Welfare home. The rest of our time was spent planning parties for our dads, mothers, alums (and even the alums children). And we studied occasionally.

Taking part in activities on campus we had Maria Hochman and Kathryn Morrison qualify for both Pi Mu Theta and Phi Kappa Phi. Kathryn Morrison and Curley Stone were chosen for Who's Who. Curley Stone was elected president of W. A. A. and Joyce Hitchcock was chosen as secretary. Barbara Edwards served as secretary of the Art Club, and last but not least in our long line of pride and joys was Barb Ficker who was cheerleader this year.

In the royalty department, we were very proud of Marty Althouse who was the W. S. S. F. carnival queen.

In the fall the Tri Delt stage was set for a wonderful year—the mortgage was paid off, the house was redecorated and the new pledge class filled the empty spaces left by the June graduates.

We initiated our social season with a house dance in honor of the new pledges. Our winter formal, the "Sleigh Bell Ball", was held at the Orlando, while the spring formal was held at the Decatur Club.

At Christmas we held our annual Pine tea for the faculty members and their families. In the Spring we honored the graduating senior women at our Pansy Breakfast.

Several girls took their place as leaders on the campus. Ginny Happel was elected President of Pi Mu Theta, Doris Koehler served as President of the Panhellenic Council and also was elected Vice-President of F. T. A. Marilyn Gray was elected Treasurer of the Student Council, Phyllis Bridgewater was Co-Chairman of the Homecoming festivities and Donna Reichman was Vice-President of the freshman class. Ginee Herron was Treasurer of the junior class, while Margaret Ann Cummins served as Secretary of the same class. Jody Collins took her place as Captain of the cheerleaders, Joanne Williams was Vice-President of Sigma Alpha Iota and Mary Lou Asbury served as Social Chairman of the same organization.

Ginny Happel, Marilyn Morthland, Phyllis Bridgewater, and Joanne Williams were initiated into Phi Kappa Phi. Ginny Happel, Phyllis Bridgewater, Doris Koehler, Joanne Williams and Marilyn Morthland were selected for Who's Who.

Hubub, Hawaiian parties, and house dances predominated the opening weeks of school at the Pi Phi house. The close of rush week found twenty-six new additions to the chapter.

The routine of classes and homework was lightened by our social events which included house dances, fraternity and sorority exchanges, open houses, and our week in Kansas City at the "Pi Phi Bungalow." Pi Phis and their dates made merry at the "Sleigh Ride Ball", and the spring term was climaxed with a dinner dance at the South Side Country Club. Our Jean Keller reigned as queen at the outstanding social event of the year, Homecoming.

Prominent in campus activities were Lois Shand and Sandra Lukey, co-editors of the Decaturian; Barbara Munson and Carol Goltra, music and social editors of the "Dec"; and Mary Taylor and Joan McCumber, assistant editors of the Millidek.

Class offices were held by Lois Shand and Barbara Munson, and Jackie Davis was secretary for the Student Council.

Sandra Lukey was elected to Who's Who, and intiated into Phi Kappa Phi.

Fall came and the opening of school found the Zetas getting into the swing of things by adding several new faces to the chapter at the close of rush week. The pledge dance was held late in the fall and was called the "Mexican Jump". Our winter formal was held at the Sportsman Club, and was titled "Arctic Fantasy". The pledges and new initiates also gave a dance for the actives in the spring, and the social season ended in May with our "Underwater Ball", held at the Scovill Country Club.

Two new members, Carla Drije and Lucille Brown, had the leads in the fall Town and Gown production, and Nan Harlan took the lead in the spring production. Carolyn Houghton was elected to Phi Kappa Phi. Marilyn Morgan was awarded the Pi Mu Theta scholarship during the first semester, and Betty Price, Nan Harlan and Marilyn Winslow were chosen for Who's Who. Dodie Stoops was co-chairman for the Homecoming dance. The chapter won first place in the Homecoming float contest, and under our service project we aided the Millikin National Bank envelopes for the Easter seal campaign.

Delta Sigma Phi Pledges

The past year has seen no lack of activity for the Delta Sigs. The season opened with a "rush", producing 35 pledges.

The Pledge Dance at the Hotel Orlando opened the social season in grand style. A number of house dances combined with the Carnation Ball, Sailor's Ball, and the Sweetheart dance completed a full social calendar.

The Delta Sig chapter was well represented in athletics. Nineteen brothers and pledges were out for the team. Brother Tony Innis, and Pledge Pete Innis were two of the Millikin representatives on the all-conference team. Phil McFadden and Gary Florian were co-captains this past year. Captain Scott Steagall played all-American type basketball and led the team to another conference championship and a trip to Kansas City. He was ably assisted by brothers Althoff, Luttrell and Kowa.

Alpha Lambda chapter interests have not all been athletic. President Dick Helledy, Vice-President Smith and John Ward were all elected to Phi Kappa Phi, and brothers Steagall, Scherer and Berry were elected to Who's Who.

Sigma Alpha Epsilon Pledges

Once again Sigma Alpha Epsilon has had a year of great activity and success on the campus of Millikin University. Starting in the fall with rushing activities that netted them a well-rounded pledge class, the chapter carried on from there in all campus activities.

On the gridiron, there were six brothers led by quarterback Don Hess. Don and Hal Wiesenmeyer both made the all conference team.

In the field of politics, S. A. E. was again one of the leaders. An active new party was formed and it captured every office it ran for. There were three brothers in student offices when the smoke of battle rolled away.

The Homecoming weekend was a great one for S. A. E. too. Capturing the house decorations for the third year, the chapter gained permanent possession of the Homecoming trophy.

From there the chapter carried on in grand style, Business Manager of the Decaturian, Editor of the Millidek, Vice-President of the Student Council were all held by S. A. E.'s.

Socially the men from "185" were playing the usual roll of throwing good dances, the Winter Formal, the Novelty dance, and a fair share of house dances.

To top things off, a new television set was acquired in the spring, and regardless of the diversion, the chapter managed to maintain the highest fraternity average in grades for the ninth semester out of the ten since the war.

The year 1950-'51 has found the TEKE's in many phases of school activities.

Climaxing the first semester's social events was the colorful winter formal, "Snow-Bound", held at the Hotel Orlando. Rich Hellman, with the assistance of his committee turned out a beautiful dance, complete with TEKE bracelets as favors.

T. K. E. was awarded second place for their house decorations the last Homecoming. The whole project was of enormous proportions and consisted of the theme of St. Peter welcoming the alumnae through the pearly gates of J. M. U. Frater Jesse Swiney was co-chairman for the 1950 Homecoming festivities.

T. K. E. also found itself in the political spotlight on the campus. Jay Hoepffner came through again by being elected to the office of President of the Student Council. Bob Broverman was President of the Sophomore class. The TEKES also had two men as officers in Alpha Phi Omega, the service fraternity; Dan Newcombe serving as President and Jack Bloss as Sergeant-at-arms.

Fraters Jay Hoepffner and Robert King were honored by being selected as representatives of Millikin University in the national Who's Who in American Colleges and Universities publication.

T. K. E. is very proud of that tall, "lanky" guy who has been so active on the varsity basketball squad—Alex Sarran. "Little" Bill Sutherland was another important T. K. E. in varsity sports as Captain of the baseball team.

Another TEKE who should receive laurels is Bob King. Bob was very active in the speech department and appeared in various radio and stage productions—we especially remember him in the leading roles of "Camille" and "Two Blind Mice".

T. K. E. owes much gratitude to Jack Allen who proved to be a very capable and efficient chapter advisor. Much the same can be said for Roy Ousley, the alumnae for 1950-'51.

M. I. A. has played a big role in campus activities this year. Four members were class officers, and there were a large number of members representing M. I. A. in the Town and Gown plays. The Millikin Independent Association participated in the Variety show, and the Millikin sing.

A big event of the year was the alumni banquet held during Homecoming weekend. M. I. A. sponsored two formal dances this year, Mistletoe Magic at the Sportsman's Club, and the spring formal.

Meetings are held every Monday night in Barracks 77. This year the members got busy and made a great many improvements so that they now have a lounge ready for all members at any time.

Even though Alpha Phi Omega is a young organization on this campus, it has become well known due to its service and participation in school life.

The first big project was the sponsoring of the Ugly Man contest which raised funds to secure a scoreboard for the football field. The members are backing and working on the idea of the Campus Chest Survey, have drawn up plans and have gotten a bid for improving the lounge in the Sub, took charge of decorating the float for the Homecoming Queen and her Court, and had a Boy Scout Day on which they took the Boy Scouts to a football game.

This year makes the first for a banquet commemorating founders day. Dr. Malone was invited to be the speaker.

Alpha Phi Omega is a world-wide organization and membership is non-restrictive. Members of the other Greek organizations are welcome, as is everyone who has at one time been a Boy Scout.

SIGMA ALPHA IOTA

Music, music, and still more music—that's what Sigma Alpha Iota stands for. S. A. I., an honorary musical fraternity for women, takes for its members only those who are superior in musicianship and character.

Outstanding in this year's activities for Sigma Alpha Iota were the traditional Rose Tea, the Contemporary Musicale, the Senior recitals, and the other programs which the S. A. I.'s presented throughout the year.

S. A. I.'s and their dates were provided with plenty of fun and festivity at their two dances, "Winter Prelude," and the traditional Rose Dance in the spring.

Recitals, songfests, State Day, and finally, a last farewell to the Seniors at the Senior Banquet,—all these things go to make up a wonderful and successful year for Sigma Alpha Iota.

PHI MU ALPHA

This year has found a small but lively chapter of Phi Mu Alpha at Millikin. The chapter has worked hard on various projects and is making this one of the best years in Beta Theta's history.

Homecoming was the first big project, and was closely followed by our election of Bill Thomas as the winner of the Ugly Man contest. Other major events of the first semester were the presentation of, "The Telephone", and "The Medium", operas by the music school, our annual Christmas carol trip, the winter pledge dance, and several appearances by the "Sinfonians", the chapter chorus.

The second semester found us with new officers, and new activities. This year, for the first time, we joined with the S. A. I. chapter in presenting a trophy to the best group participating in the Millikin Sing. Other activities this spring were the spring formal, province convention, and the annual All-American show. This year also found the chapter alumni newsletter, Beta Theta Ensemble, reorganized and sent out to all chapter alumni.

Kansas City

The night that Millikin beat Eastern Illinois State Teachers College in the N.A.I.B. Illinois play-offs was the starting point of a long-to-be-remembered ten days. The Big Blue made its initial trip to Kansas City, and the nation-wide N.A.I.B. play-offs. The team left on Sunday morning, and every day for the following week groups of students forgot the necessity of studies and went to support the team.

The first ball game was on Monday night against Eastern New Mexico. The Big Blue promptly handed them a 77 to 63 defeat. In the following week the team went on to defeat East Texas Baptist, 80 to 62, Florida State, 91 to 60, and Regis College, 88 to 70. However, the final game of the tournament found us playing Hamline University from Minnesota. The game was not decided until the last few minutes, the boys scrapping all the way, but the sound team from St. Paul came out on top with a 69 to 61 victory.

The week was a victory for us though. Each day the ranks of Big Blue backers swelled in Kansas City, and the class attendance at Millikin dropped. School finally closed on Friday, and all students and faculty members who could beg, borrow or steal a ride to the tournament went. A great time was had by all. There were parties, sight-seeing trips, parties, and a heck of a lot of cheering for the Millikin team. To top off a thrilling championship basketball season the trip to Kansas City was the height of all our ambitions. We certainly left an impression and record that will be hard to equal any place, and Scott Steagall came through as a true champion, again, by running off with the honor of being the most valuable player in the Kansas City N.A.I.B. tournament for 1951.

Row 1: Boman, Luttrell, Turner, Sutherland, Tony Innis, Hazenfield, Florian, Kowalski, Fitzgerald, Epperson, Durchholz.

Row 2: Mr. Keil, Panizzi, P. Innis, Lefley, Althoff, Tom Innis, Steagall, Chant, Gehrig, Durland, Shepherd, Sarran, Lester, Kowa, Tully, Stauder, Costello, Short, Laedtke, Sesslar, Conville, Kelly.

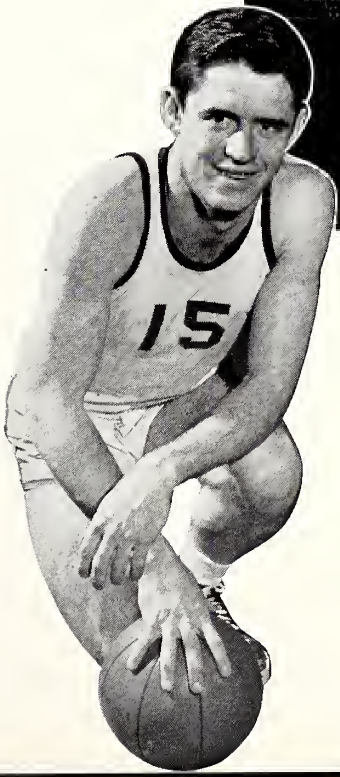
THE "M" CLUB

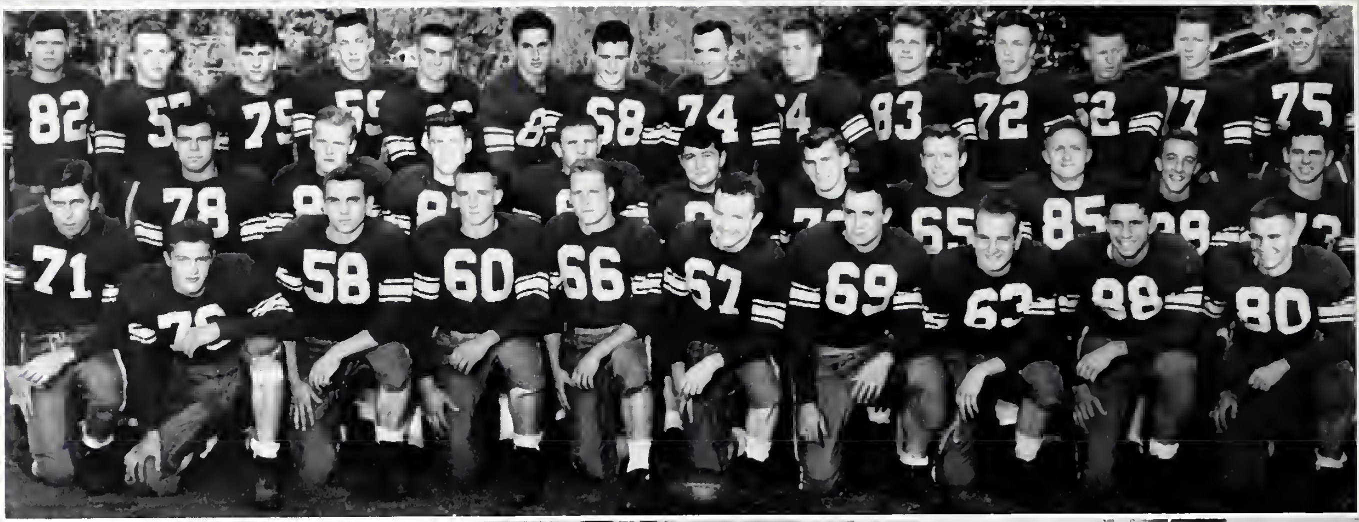
The "M" club, composed of men who have earned letters while participating in athletics at Millikin, is one of the quiet but active organizations on the campus. Sponsoring the Joe Catlin memorial scholarship, running the used book store for the benefit of all students, and giving our athletes an organization to work through are its main objectives. Headed by Jim Lester the first semester, and John Luttrell the second semester, the "M" club completed another successful year.

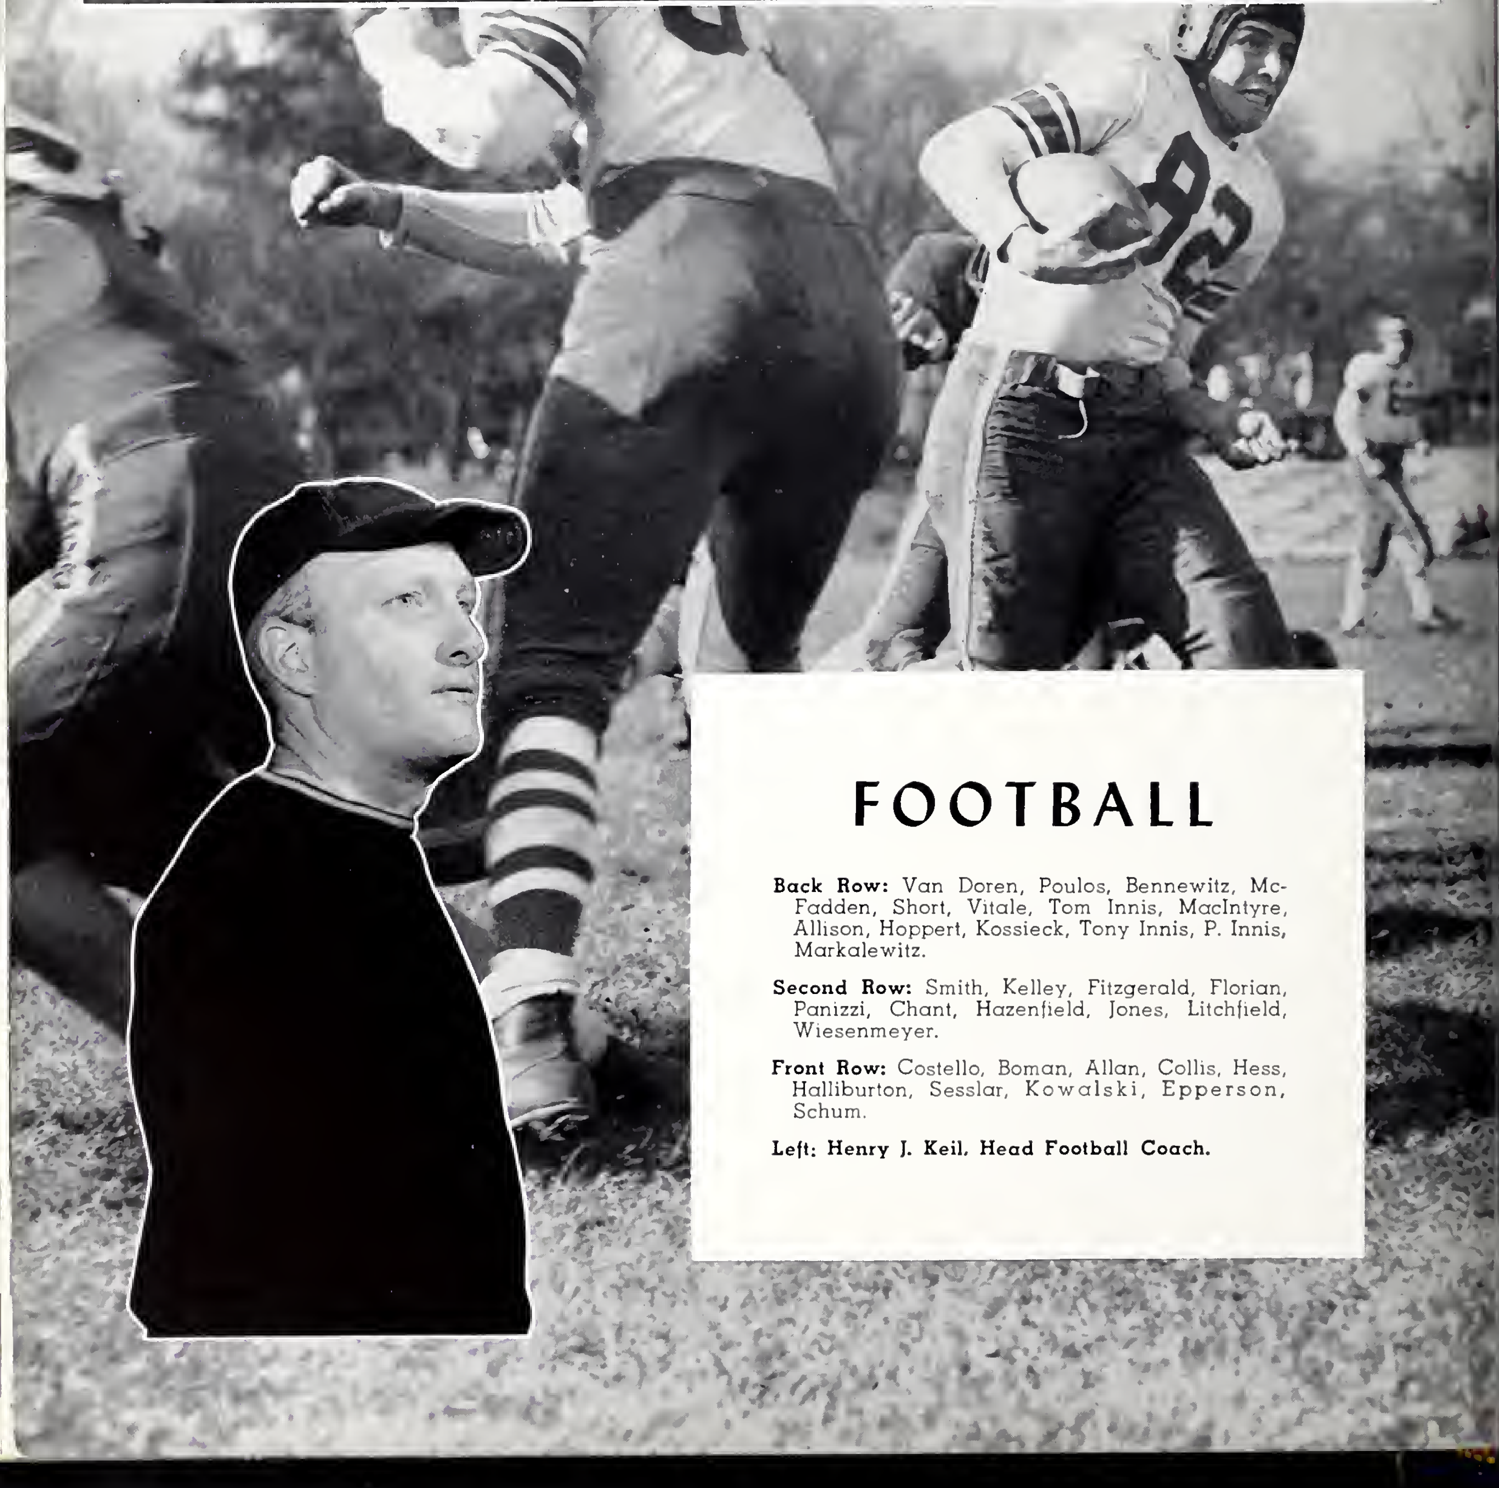
"M" MAN

Once again the Millidek announces its "M" man award. Quiet, unassuming Scott Steagell is the unanimous choice of the staff. Breaking records, making new ones, continually advancing sports through gentlemanly conduct, Scott has not only been a credit to the school and the athletic department, but he has also built up a reputation off the floor of a basketball court that will be hard to equal.

An active member of his fraternity, a president of the "M' club, and a good student, Scott is always ready with a good word and a ready smile. It is his character, personality, and his accomplishments off the floor, combined with his athletic ability, that make Scott the "M" man of the year.







FOOTBALL

By far the most successful post-war football season was had at Millikin this year. Although the four and four record doesn't sound impressive to the ear, the memory of how the team came out and fought, scrapped, and played every minute of every game will long remain a pleasing memory to all who were spectators through the year. Field general Don Hess, followed by such stalwarts as "Red" Halliburton, Tony Innis, Gary Florian, Hal Wiesenmeyer, Chuck Boman, and Gene Panizzi, gave Millikin an exciting if not spotless season.

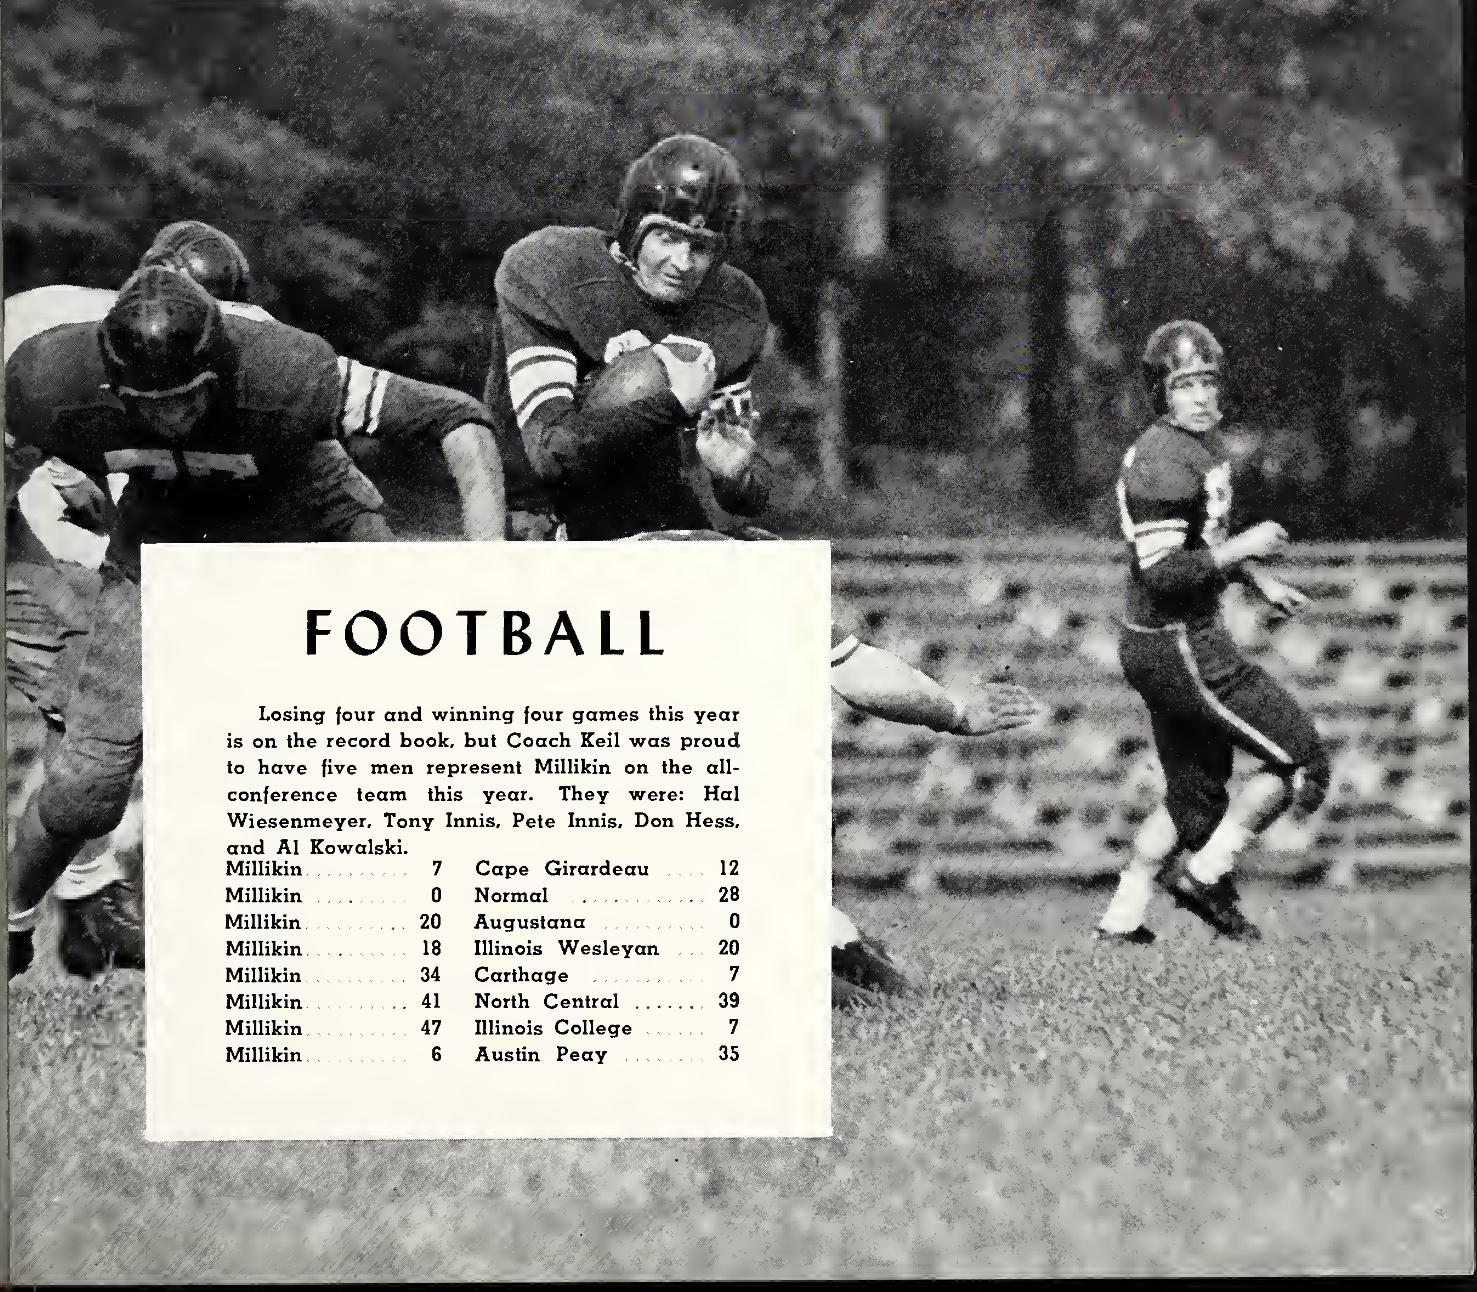
FOOTBALL

Knock-down, rugged, hard football was the style at Millikin University this fall. The "old college try," for which there is no substitute, was ever present, and as a result we had some mighty good football to watch. Outstanding as a single game was the night game played at Wesleyan. That night the "Big Blue" lost a 20 to 18 thriller. There was no question about the rough, bruising game being a good one from the opening whistle to the closing gun. Skill, ability, and knowledge were ever present, but it is commonly agreed that a little luck slipped in on the side of Wesleyan and enabled them to steal the game.



FOOTBALL

Losing four and winning four games this year is on the record book, but Coach Keil was proud to have five men represent Millikin on the all-conference team this year. They were: Hal Wiesenmeyer, Tony Innis, Pete Innis, Don Hess, and Al Kowalski.

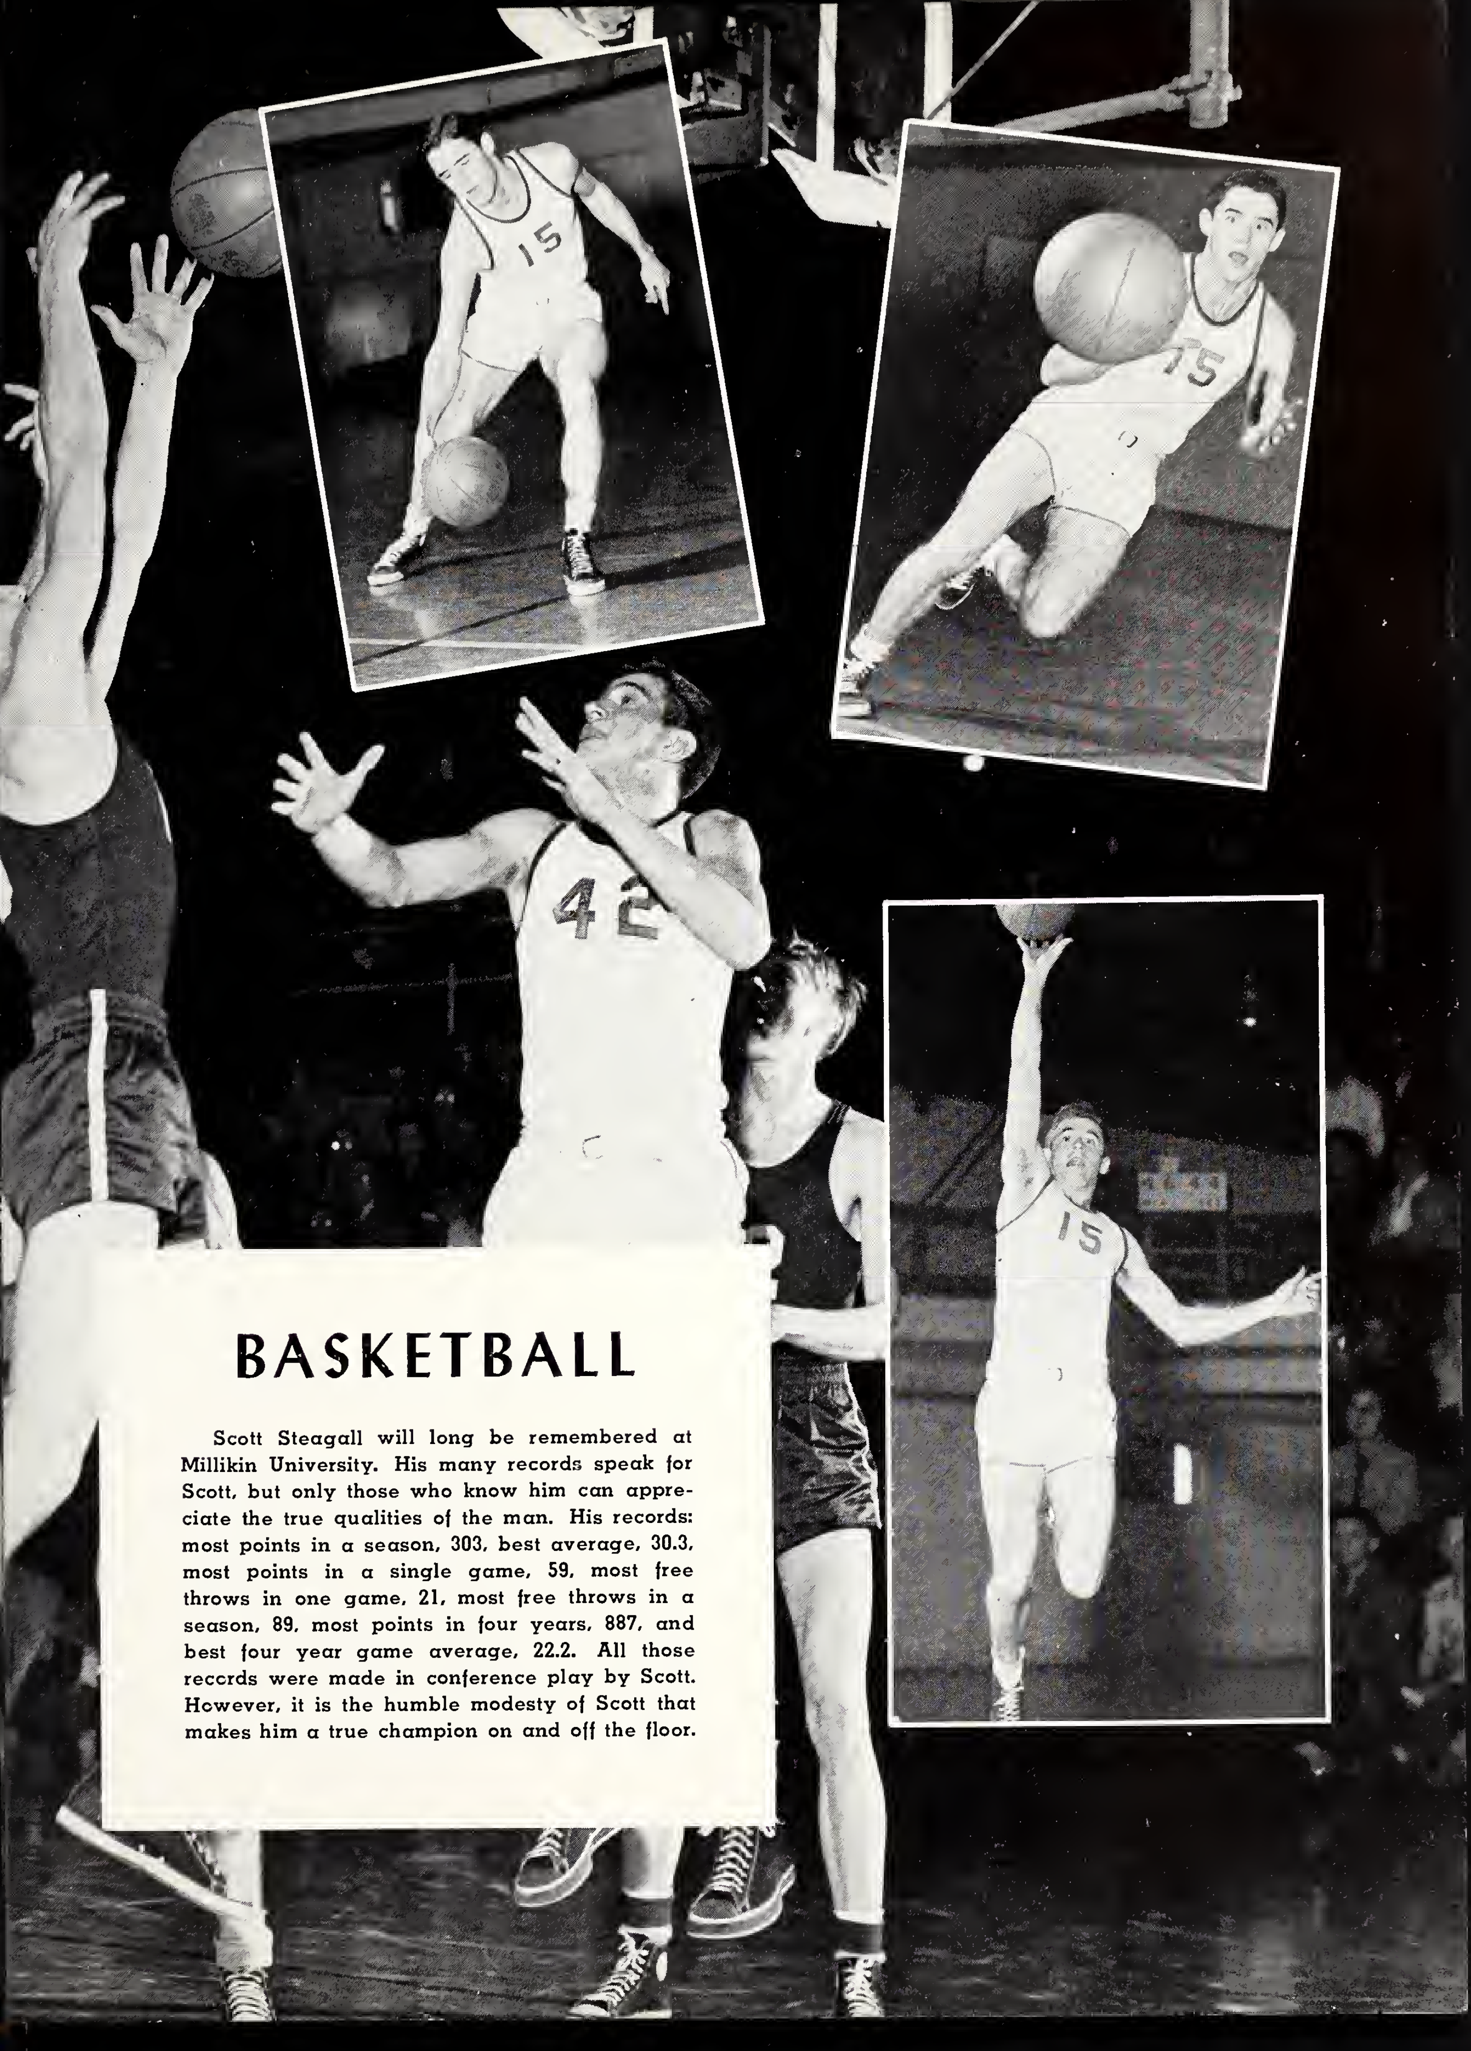
VARSITY

Basketball mentor Ralph Allan did it again this year. He put together a team that copped the Little Nine basketball championship for the second year in a row. Fast, high-scoring ball was played this year, and it paid off. Setting a new conference scoring record of 800 points, the team also set single game scoring of 104 points, free throws, 32, field goals, 36.

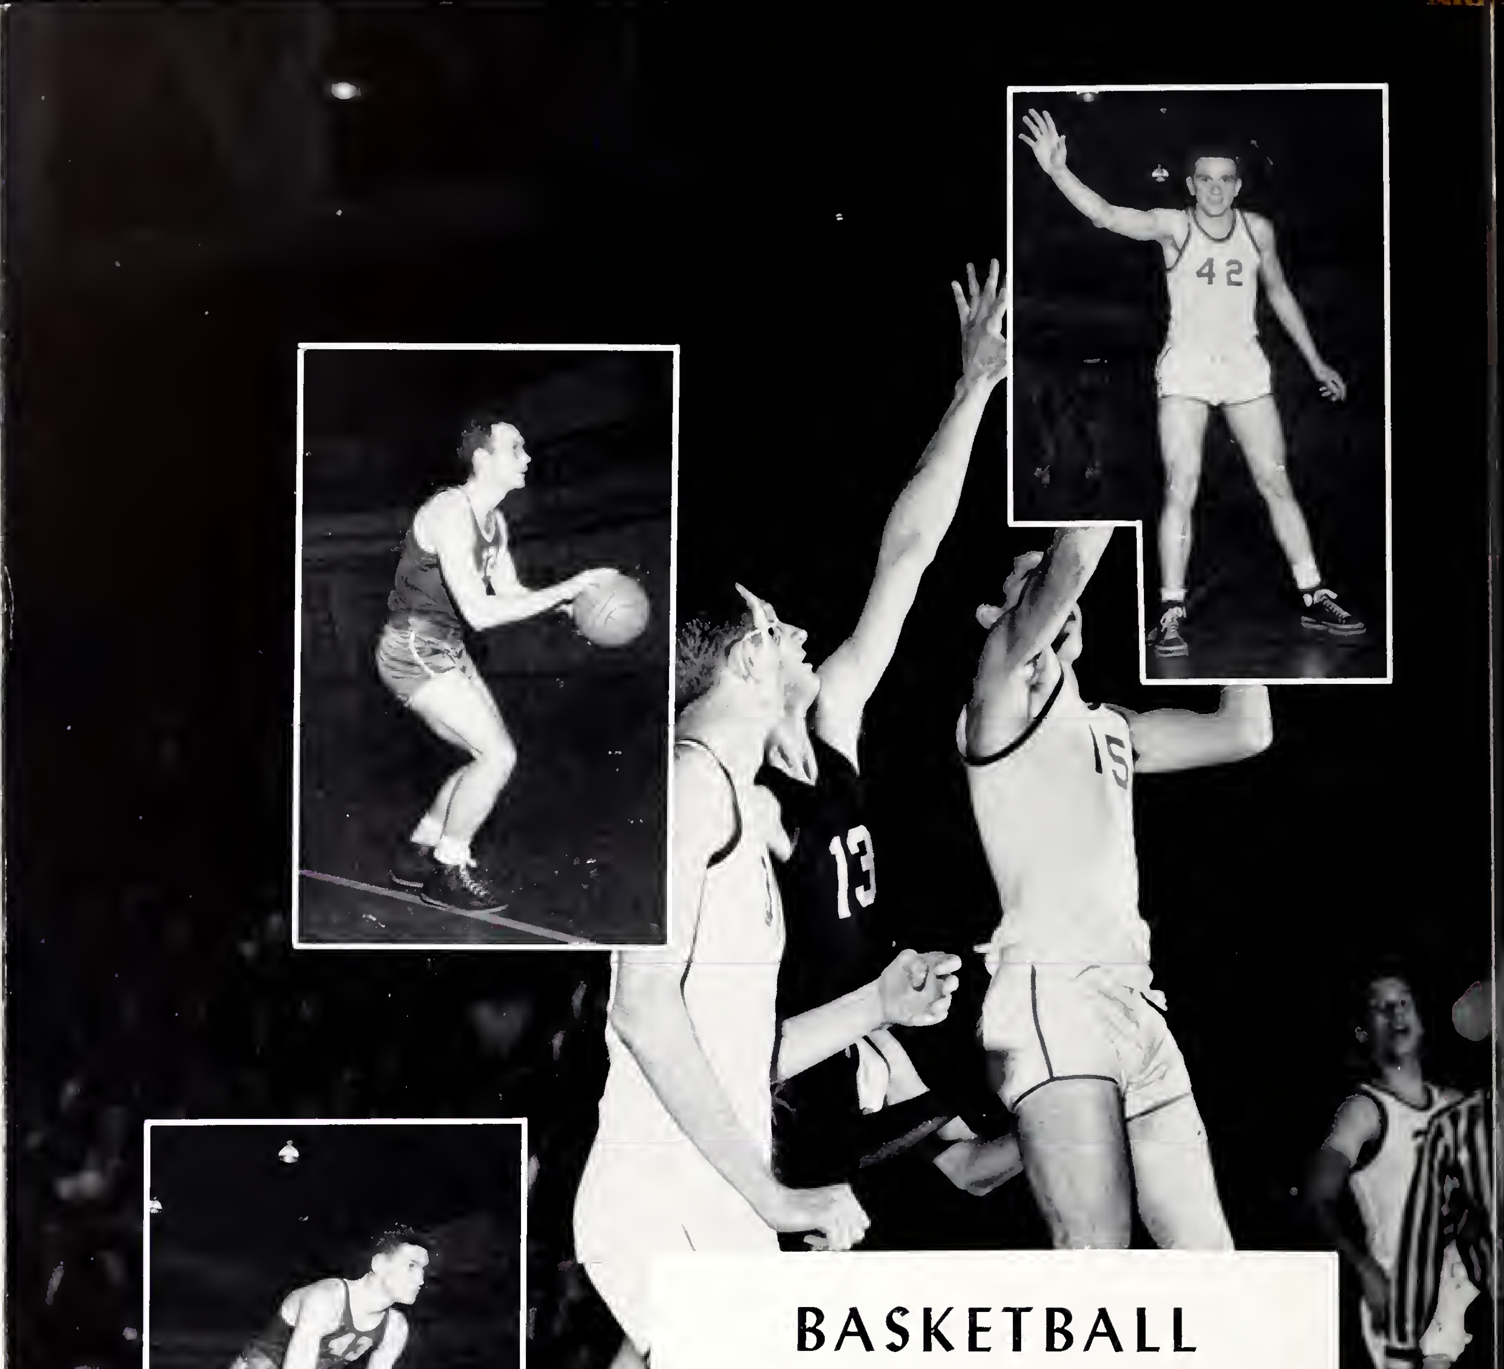
First Row: Lukey, Murray, Steagall, Captain; Althoff, Luttrell, Mueller.

Second Row: Coach Allan, Kowa, Sarran, Fyke, Lewis, Dubinick, Asst. Coach Allen.



BASKETBALL

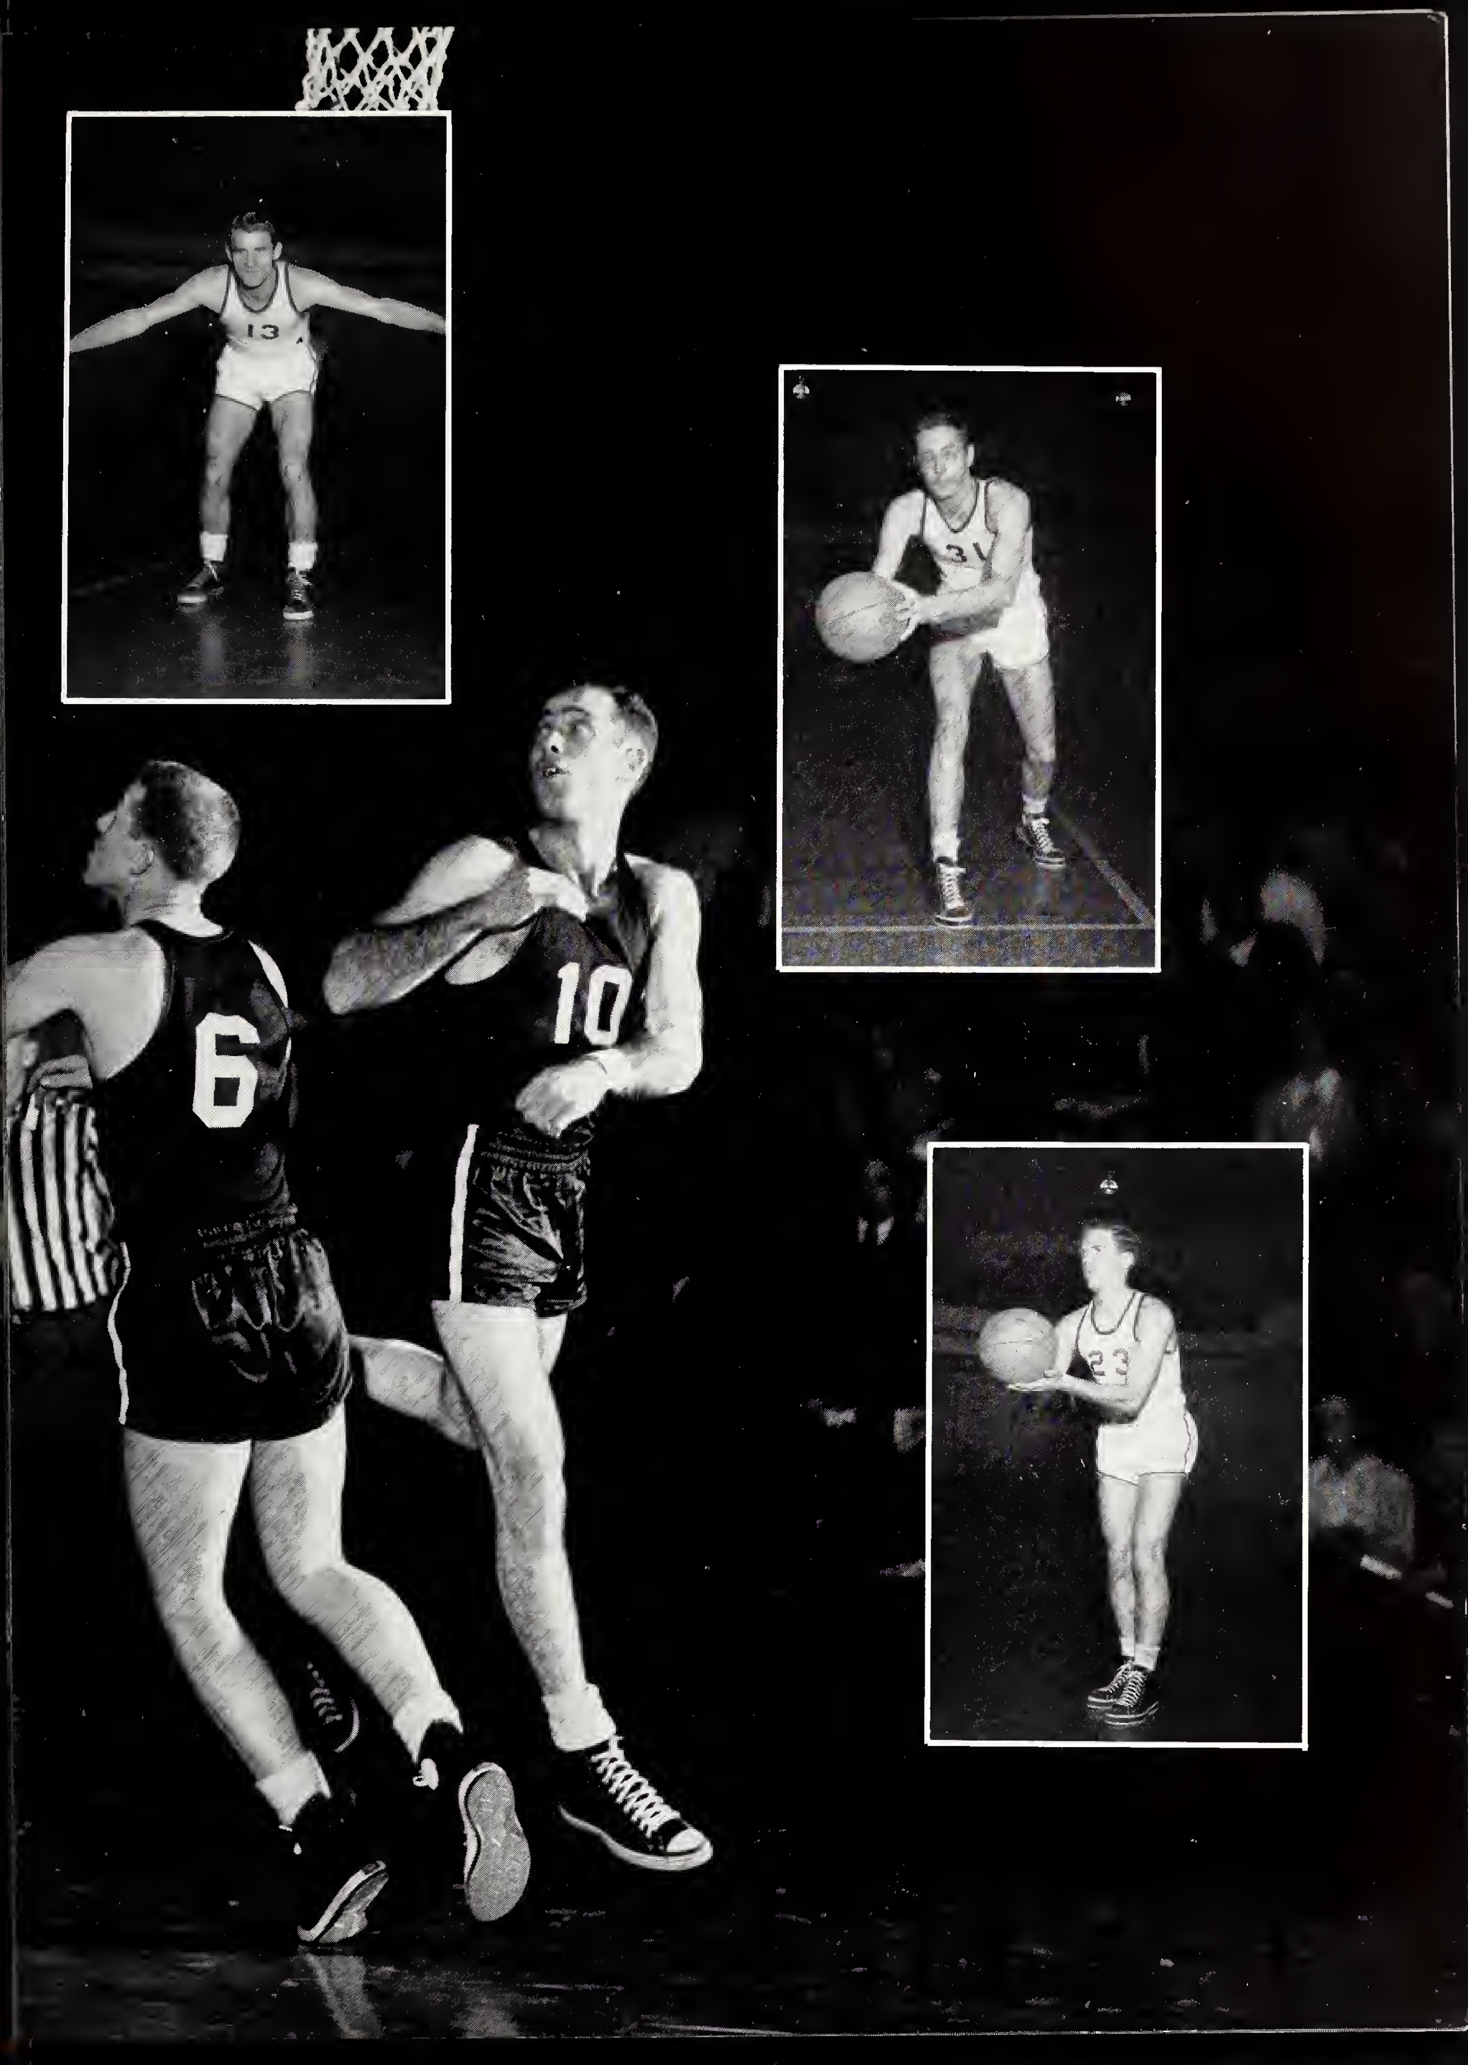
Scott Steagall will long be remembered at Millikin University. His many records speak for Scott, but only those who know him can appreciate the true qualities of the man. His records: most points in a season, 303, best average, 30.3, most points in a single game, 59, most free throws in one game, 21, most free throws in a season, 89, most points in four years, 887, and best four year game average, 22.2. All those records were made in conference play by Scott. However, it is the humble modesty of Scott that makes him a true champion on and off the floor.

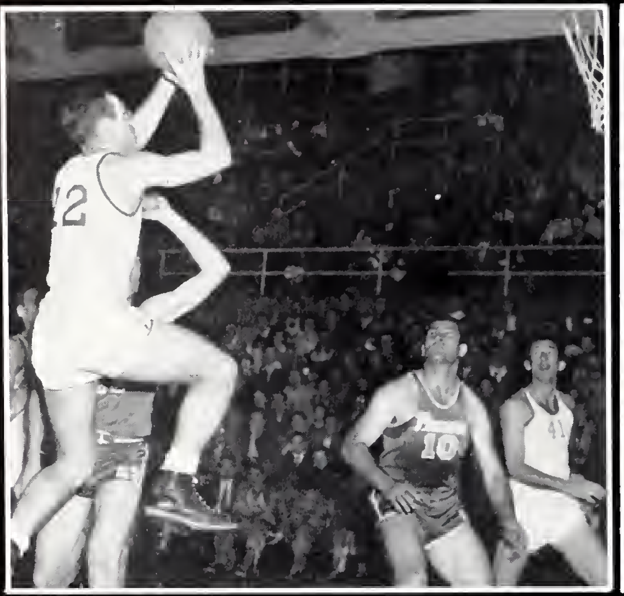


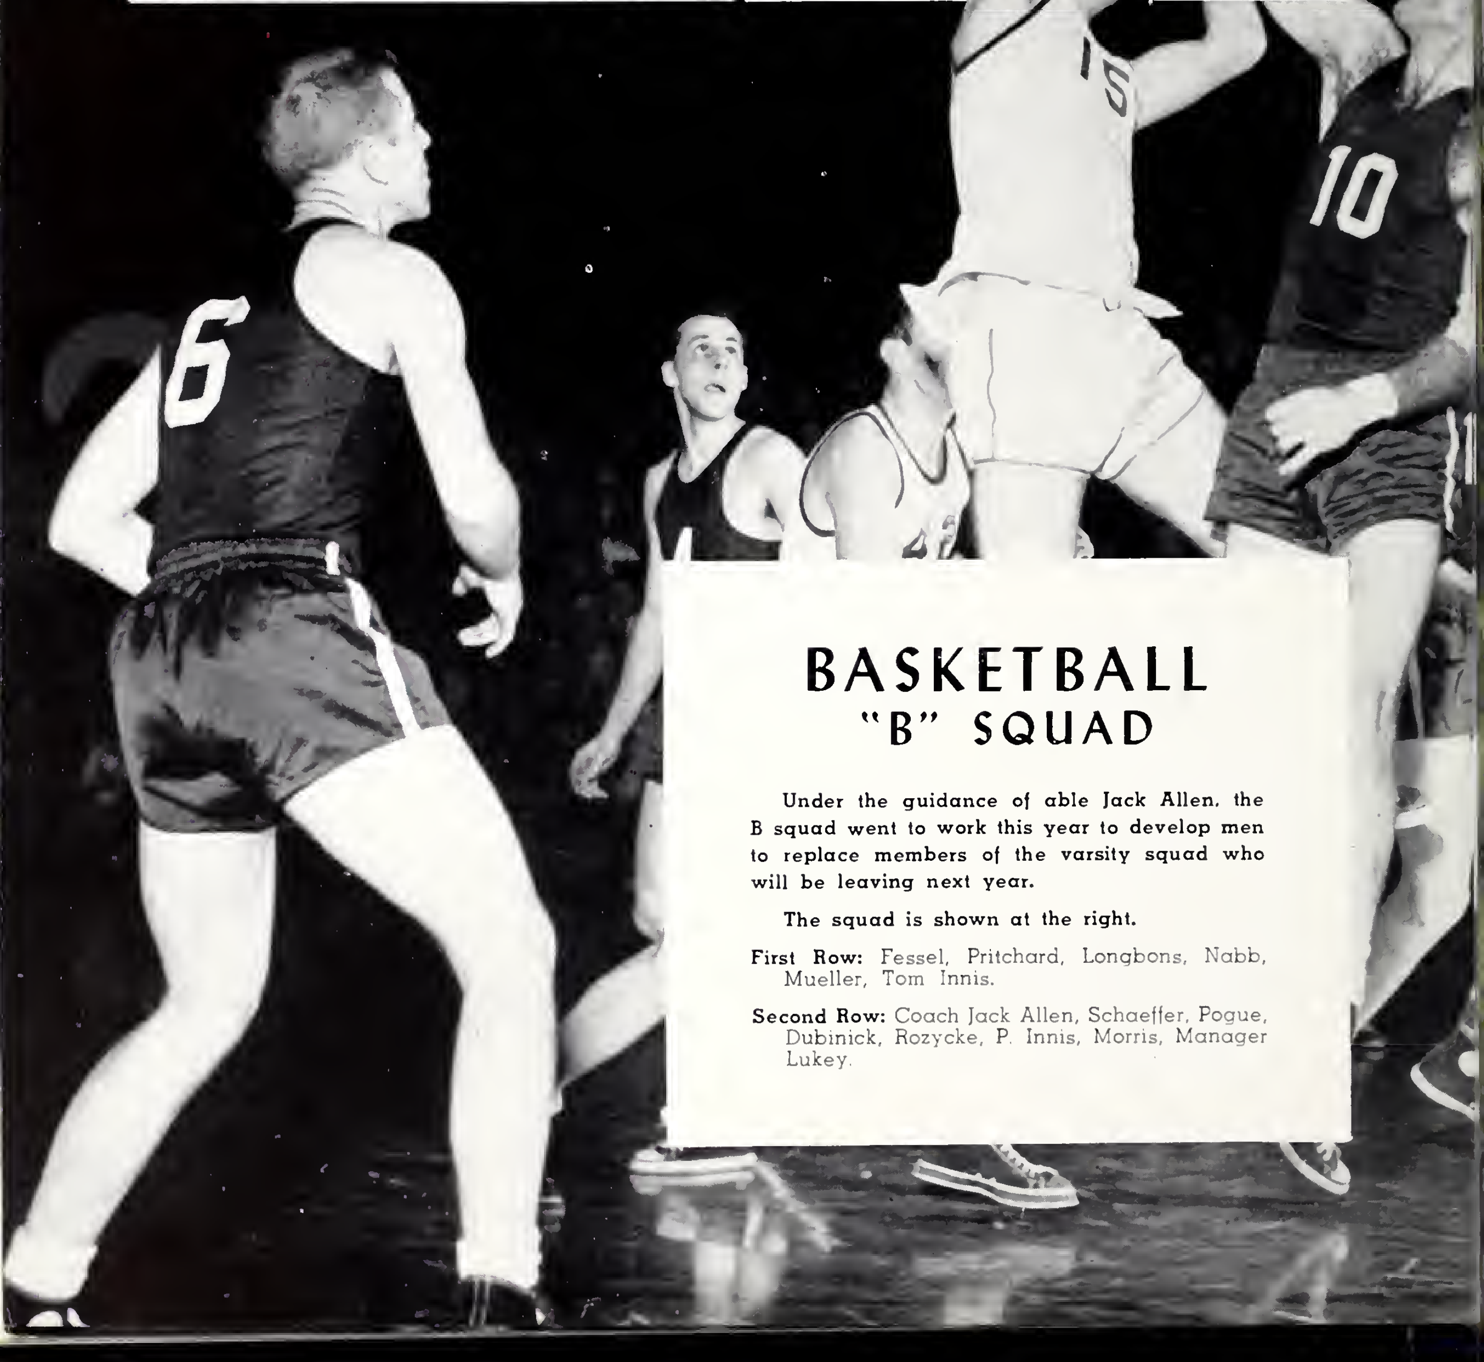
BASKETBALL

Walking off with the conference championship for the second year in a row was quite a feat for Ralph Allan to perform as a coach, and a great victory for a team that went out and won because they knew they could. In the N.A.I.B. Illinois play-offs our first foe was Lake Forest. The team went on to defeat them 81 to 60 after losing to them once during the season by two points. Our second game was with mighty Eastern. Playing scrappy ball throughout the game, Millikin University defeated the cocky, self-assured boys from Charleston 74 to 73.

From there it was off to Kansas City and the National N.A.I.B. play-offs. Defeating Eastern New Mexico, E. Texas Baptist, Florida State, and Regis of Colorado in the first four games, the "Big Blue" lost the final game to the fine team of Hamline University, 69 to 61. At the end of the season we sported a 24 won, 7 lost record.







BASKETBALL
"B" SQUAD

Under the guidance of able Jack Allen, the B squad went to work this year to develop men to replace members of the varsity squad who will be leaving next year.

The squad is shown at the right.

First Row: Fessel, Pritchard, Longbons, Nabb, Mueller, Tom Innis.

Second Row: Coach Jack Allen, Schaeffer, Pogue, Dubinick, Rozycke, P. Innis, Morris, Manager Lukey.

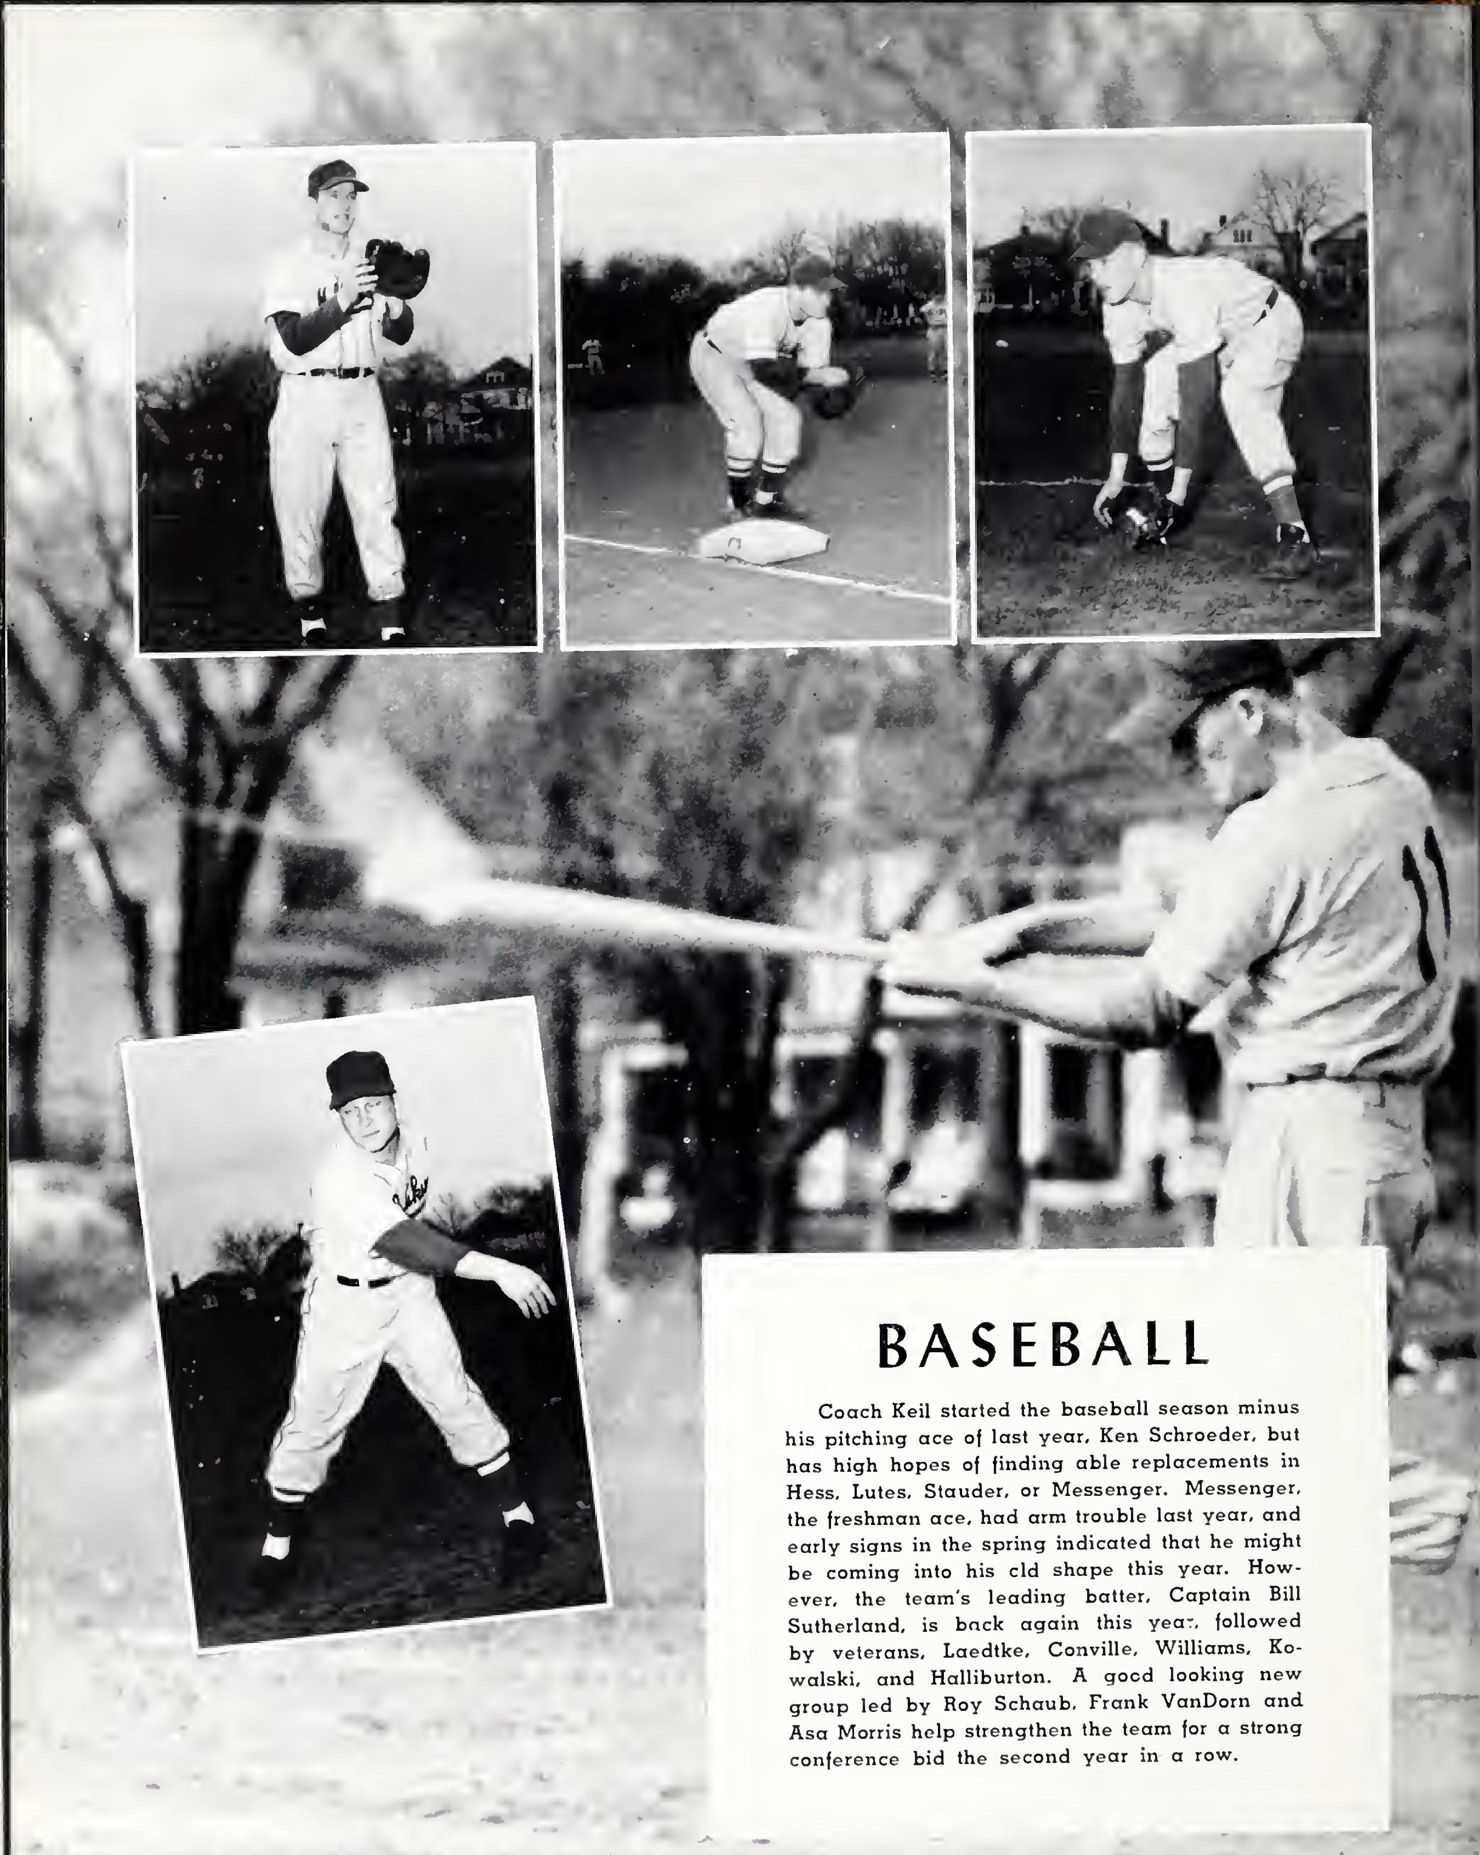
BASEBALL

Last year's conference champions started spring training early this year to get a good start on the defense of the conference championship. The team is pictured above, left.

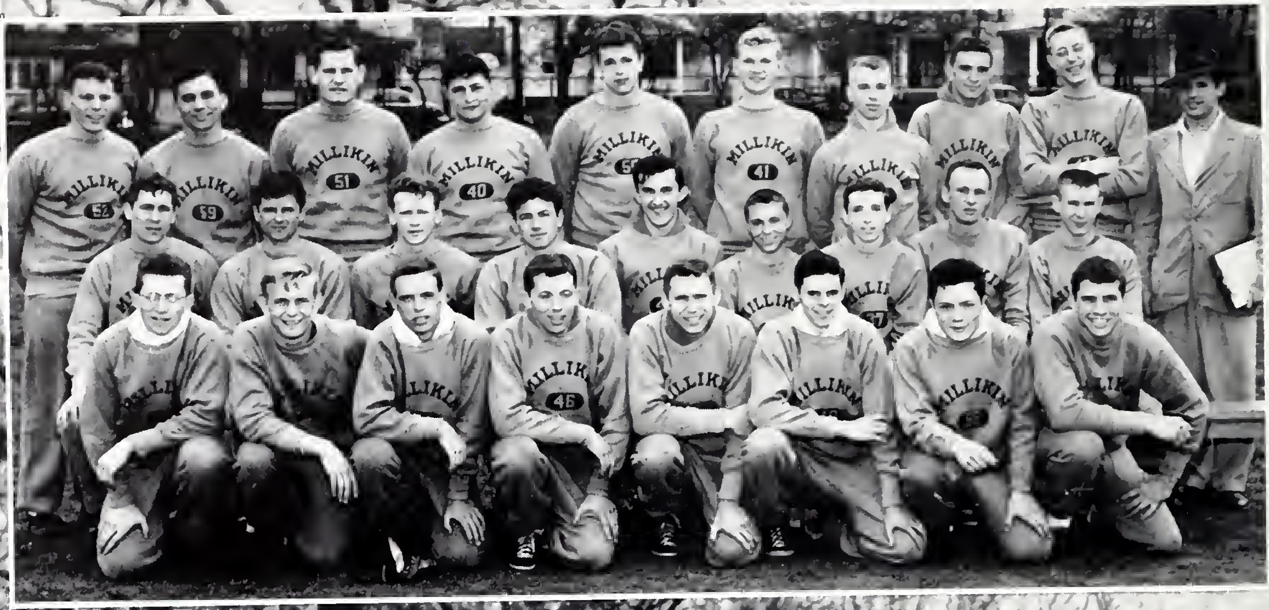
Back Row: Deckert, Cook, Short, Messenger, Daniels, Morris, Conville, Fitzgerald, Florian, Murray, Mullinax, Longbons, Coach Keil.

Kneeling: Mueller, Lutes, Williams, Stauder, Hess, Captain Sutherland, Schaub, VanDorn, Kowalski, Laedtke, Halliburton.



BASEBALL

Coach Keil started the baseball season minus his pitching ace of last year, Ken Schroeder, but has high hopes of finding able replacements in Hess, Lutes, Stauder, or Messenger. Messenger, the freshman ace, had arm trouble last year, and early signs in the spring indicated that he might be coming into his old shape this year. However, the team's leading batter, Captain Bill Sutherland, is back again this year, followed by veterans, Laedtke, Conville, Williams, Kowalski, and Halliburton. A good looking new group led by Roy Schaub, Frank VanDorn and Asa Morris help strengthen the team for a strong conference bid the second year in a row.



TRACK

Coach Jack Allen once again fielded a track team that showed great promise in the spring. Headed by the ace middle distance runner, Jim Lester, and followed by such stalwarts as Durchholz, Anderson, Durland, Shepherd, Luttrell and Sarran, the team should give a good representation of itself.

Standing: Wangelin, Durchholz, Comstock, Panizzi, Anderson, Pogue, Newcomb, Kowa, Sarran, Coach Jack Allen.

Seated: Tully, Durland, P. Innis, Monahan, Appanaitis, Fisher, Mills, Dubinick, Shepherd.
Kneeling: Kaplan, Gehrig, Luttrell, Sherman, Lester, Lefley, Thomson, Epperson.

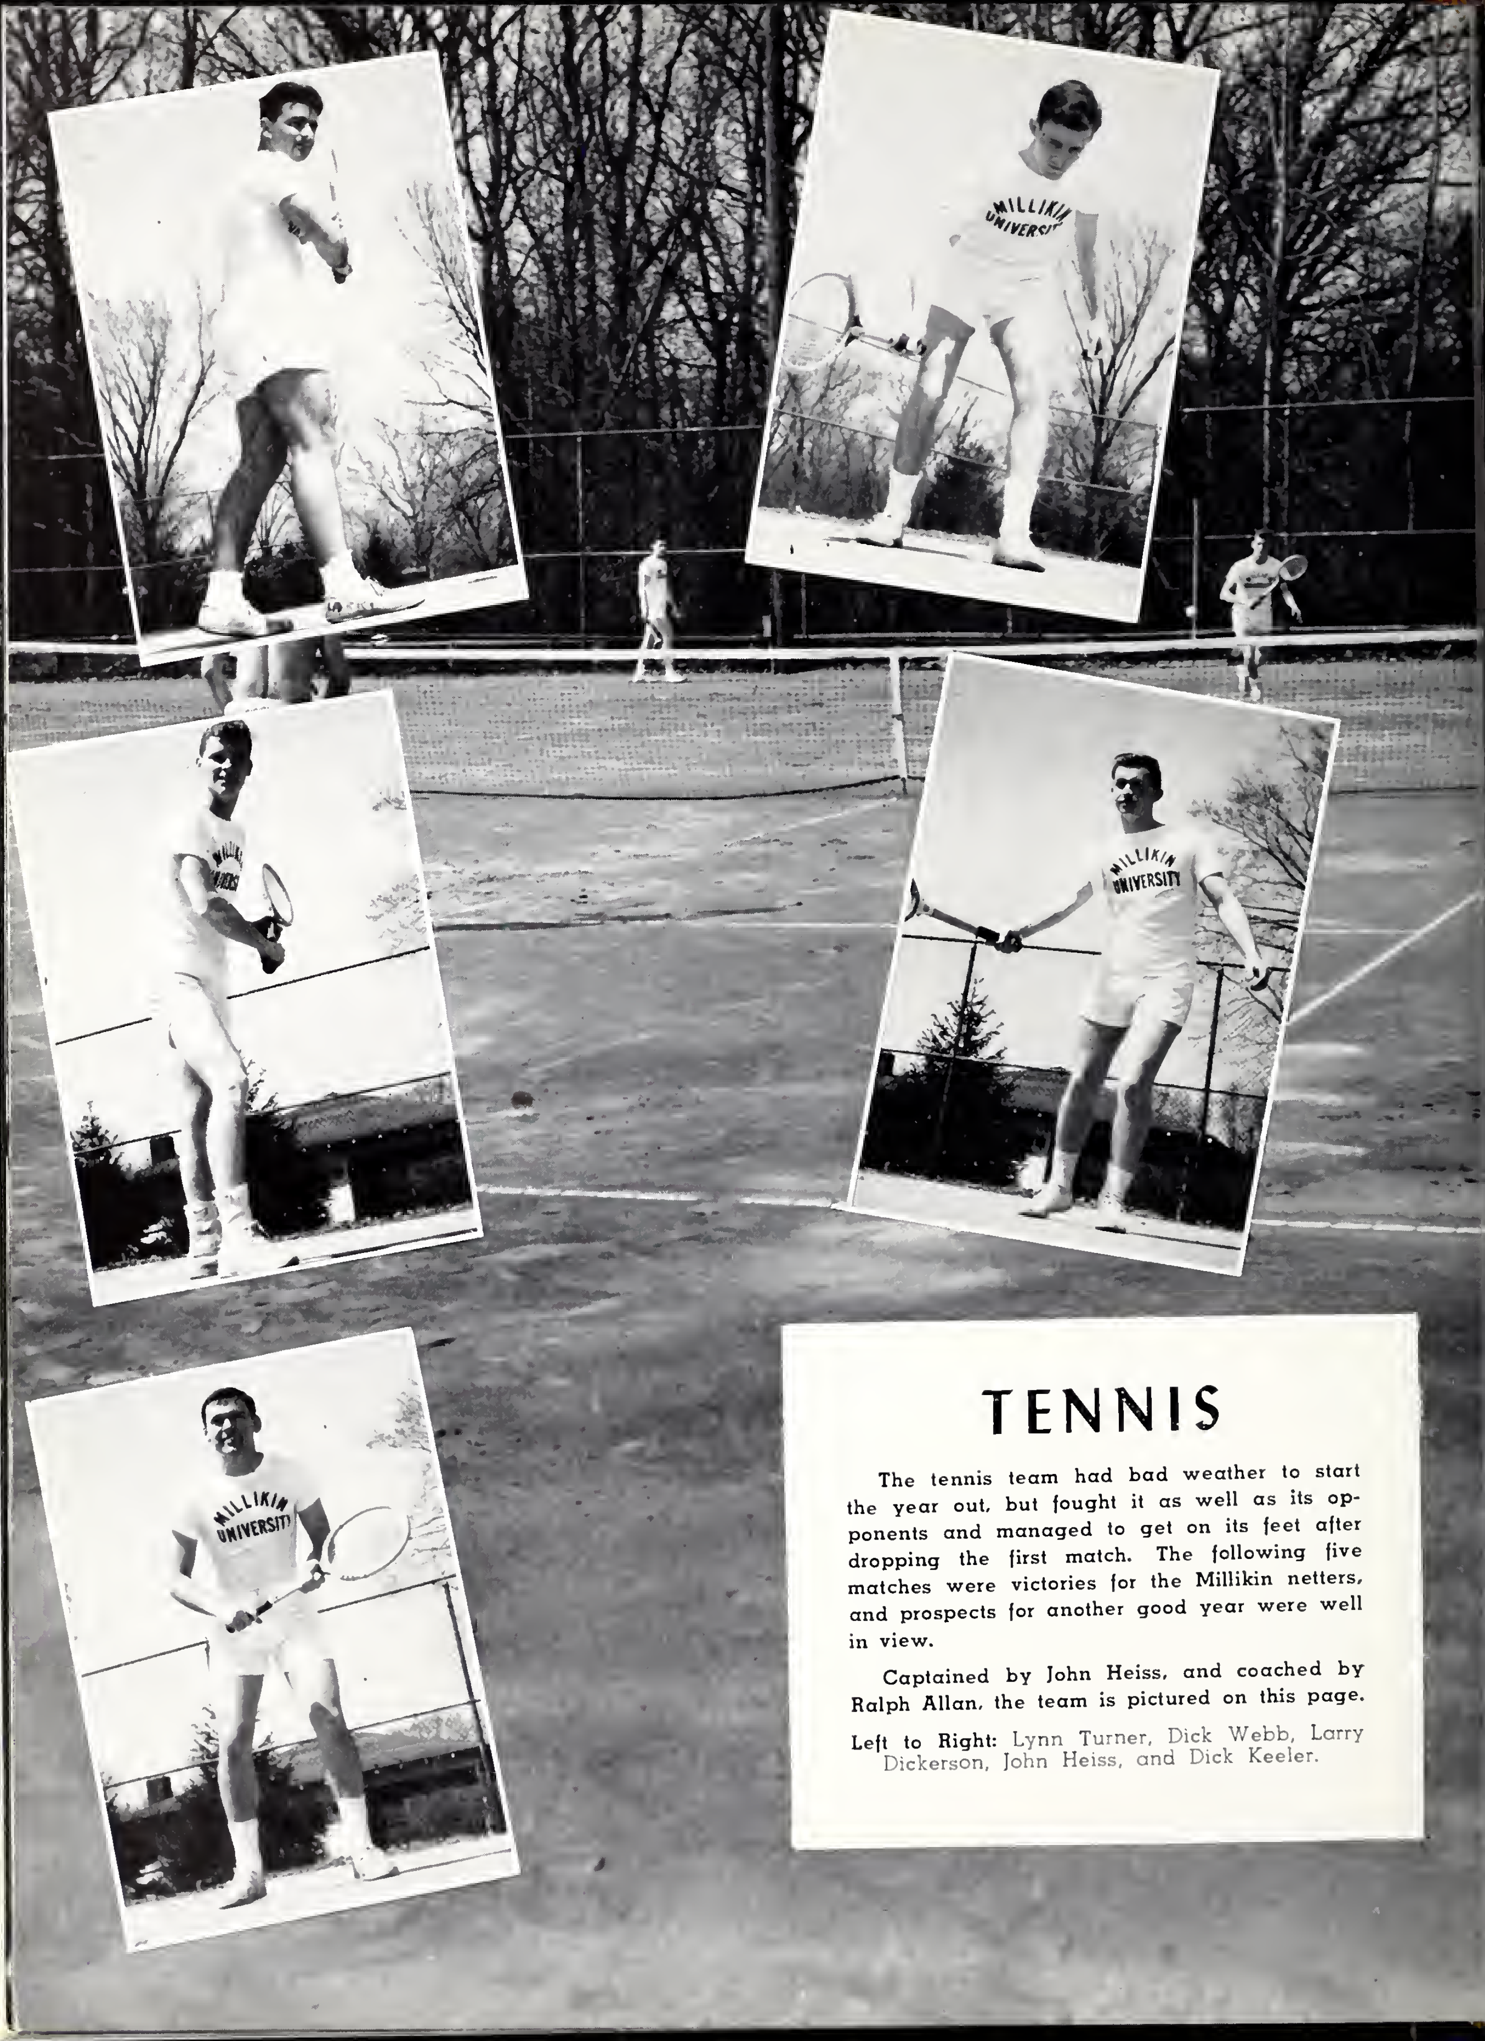
TRACK

Captain Jim Lester of the track team led the thin-clads of Millikin to victory in the first five starts of the spring season. The running of Jim, John Luttrell, Bob Lefley and Ron Sherman, accompanied by Durchholz, Anderson, Durland, Monahan, and Shepherd in the field events, proved more than most opponents could match.

The proof of the pudding is in the eating, and on Saturday, May 7, when our cinder stars took the measure of mighty Wheaton, it was proof that our chances in the conference meet later in the month were better than average. Jack Allen may well be proud of his track team, and next year when he is coaching at Canton High School he will certainly carry with him the memory of an outstanding year of coaching at Millikin University.



TENNIS

The tennis team had bad weather to start the year out, but fought it as well as its opponents and managed to get on its feet after dropping the first match. The following five matches were victories for the Millikin netters, and prospects for another good year were well in view.

Captained by John Heiss, and coached by Ralph Allan, the team is pictured on this page.

Left to Right: Lynn Turner, Dick Webb, Larry Dickerson, John Heiss, and Dick Keeler.

GOLF

Golf has long been a stand-out spring sport at Millikin. This year, the team, captained by Jim Butts again, seems to be headed for the conference championship once more. Winning six out of the first seven matches and getting stronger all the time, the team is being paced by Jim Finley and Jim Butts. They are pictured, from left to right: Don Cameron, Bud Downey, Jim Butts, Don Lawson and Jim Finley.

NORMA JEAN STONE

W. A. A. GIRL

Norma Stone, senior from Decatur, was chosen W. A. A. girl for this year. Curly has served the W. A. A. faithfully ever since she has been in school. She has been active as a manager, and has played in all the sports that W. A. A. has offered. The basis for the choice of the W. A A. girl is determined by scholarship, service to W. A. A., leadership, skill, sportsmanship, personality and other campus activities. Curly was elected by a committee composed of the adviser, officers, and intramural managers of W. A. A.

SENIOR SWEATER GIRLS

Senior sweaters are given to the members who have qualified by acquiring 1500 points throughout their four years' participation in intramural events. Sportsmanship is also of prime importance in consideration for the awards.

HOUSE DECORATIONS

Sigma Alpha Epsilon captured permanent possession of the Homecoming house decoration trophy, by winning the decorations award for the third year since the award has been in circulation. Close on the heels of Sigma Alpha Epsilon was Tau Kappa Epsilon. Next year a new trophy will go into circulation and all houses will once again be aiming for permanent possession of the award.

FLOAT CONTEST

The Zeta Tau Alpha sorority came through with flying colors and underwear to win the Homecoming float contest. With the Sig Alphs and Tri Delts running a close second and third, the parade was a resounding pre-game affair. The Zeta's washer woman was a good parallel to the drubbing the football team gave North Central later in the afternoon.

TOWN AND GOWN

The first semester Town and Gown, under the direction of Dr. L. C. McNabb and Mr. Herbert Joys, presented the three act play, "Two Blind Mice." The comedy, written by Samuel Spewack, is the story of an imaginary Department of Interior bureau, the Department of Medicinal Herbs. The department is operated by two nice old ladies who continue to keep the wheels rolling smoothly after the department has been abolished by Congress. The comedy centers around the intricacies of bureaucratic red tape, and the romantic interest is provided by the niece of one of the old ladies. The young lady has been divorced from her husband, and he is in the midst of attempting to regain the favor of his former wife.

The two old ladies were played by Danni Norris and Carla Drije, and Bob King and Lucille Brown starred as the separated husband and wife. The play comes to a satisfactory ending with the husband and wife reconciled, and the troubles of the two old ladies safely straightened out.

TOWN AND GOWN

"The Heiress," based on the book, "Washington Square," was presented by Town and Gown April 13 and 14. It was elaborately costumed in the style of that day, hoop skirts and all. The unusual scenery consisted of an elaborate living room with four exits, visible staircase, and stained glass windows.

The story is of Catherine, shy, over-dominated, who met and fell in love with a fortune hunter. Catherine's father took her to Europe in hopes that she would recognize the man as a fortune hunter and forget about him. However, on her return, Catherine decided to run away with her lover. Her father promptly disinherited her, and her husband-to-be left her waiting for him to come and take her away.

In the next two years Catherine's father died, leaving her the entire fortune. The lover returned begging for her favor, but Catherine left him knocking at the door and went upstairs.

This action ended one of the most elaborate and professional productions to be seen here at Millikin University. Once again it was the work of Dr. McNabb and Herb Joys that made it possible. The excellent cast had Nan Harlan, Bill Miller, Bob Lodge, Caroljean Zwetschke and four other students in supporting roles.

IT CAN BE DONE

. . . but don't try it!

Sometimes it's possible to break all the rules —and get away with it.

But for most of us, most of the time, the rules hold — especially when it comes to saving money.

The first rule for a successful life is to SAVE; the second rule is to SAVE REGULARLY.

★ ★ ★

Since lack of money is so often a cause of worry and unhappiness, one way to eliminate many of our problems is to have money when it is needed. Regular saving is a good way to have money for emergencies.

Sailboat racing is fun. So are all competitive sports. So, for that matter, is practically every form of competition; most of the things we do to enjoy ourselves, whether we play chess or tennis, canasta or golf, are highly competitive in nature.

Maybe that would be a good thing to remember when you get out into the world of business. You'll be entering a new and different kind of competition, but one which you can thoroughly enjoy, if you will, and which will reward you with something more substantial than a cup, a letter, or a blue ribbon!

A Milestone in Life

● Graduation from Millikin marks the successful closing of one phase of life. It symbolizes completion of well rounded preparation for the business of living and heralds the setting-up of new goals to be achieved—goals that each must choose for himself. This education has sharpened and polished your "tools for living." May you use them well and achieve the success of your own choosing.

A. W. CASH COMPANY

DID YOU KNOW?

A. E. Staley Mfg. Co. is the largest independent processor of corn and soybeans in the world. To keep the Staley plant at capacity operation over 1,000 tons of coal and 19,000,000 gallons of water are required daily.

Manufacturing operations are carried on in some 68 buildings, having 2,600,000 square feet of floor space, and covering 382 acres of land. Approximately 3,000 loyal, enthusiastic people are employees of the Staley Co. here in Decatur.

The Staley sales organization is international and is composed of hundreds of field representatives and technicians. Staley products are sold world wide for the home, farm, and industry.

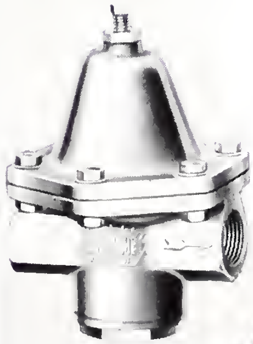
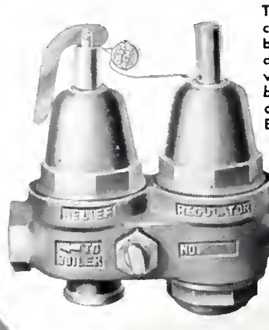
CASH-ACME VALVES Are The Choice of Men Responsible For High Quality Dependable Installations

There are three factors every plumber must consider in any valve installation . . . SAFETY • PROFIT • MAINTENANCE. Tempo, a new Automatic Reseating Relief Valve manufactured by CASH-ACME, provides 100% safety, is a high profit item with minimum maintenance. Yes, there is a difference between Tempo and other automatic valves—in its quality of materials and precision manufacture—*in the exclusive temperature sampler which permits instantaneous temperature, pressure and vacuum relief the moment the danger point is reached.* Tempo has self-cleaning action which thoroughly cleans the sensitive working parts everytime it operates. Liming of the working parts in Tempo is impossible. *Only the sampler touches water.* The delicate working mechanisms, similar to the precision workings of the finest watch, are protected from water at all times during normal operating conditions. Tempo is a permanent valve requiring no needless, profitless maintenance on your part. 3/4″ pipe size—for installation.

NOW with the impending shortages it's wise to install the product that will last. You'll want to know more about TEMPO.



Type E pressure reducing and regulating valve for domestic and industrial use. An extremely tight closing valve with greater volume at normal pressures. Ready accessibility to working parts!



The CBL Type pressure control valve is a combination pressure reducing and regulating valve, relief valve, and *by-pass*, all contained in one sturdy, rustproof BRONZE body.

We of the 1951 Millidek staff wish to extend a hearty thank you to the following people, without whose help the yearbook would have been merely a dream.

Faculty Financial Advisor

GEORGE RAYBURN

whose business advice set us up and kept us going.

Capitol Engraving

JOE SRONCE

whose counsel, untold patience and work have smoothed the way
for an easier handling of a big undertaking.

Huston-Patterson Corporation

LYNN HISER

who worried with us and put us through in the end.

Pfile's Camera Shop

BOB STRONGMAN,

his ever-ready camera, and cooperative staff.

Herald & Review

JOHN RAMMEL

for his football action shots.

And to the entire student body and administration for their cooperation.

THE 1951 MILLIDEK STAFF.
